Judges Critique

Many thanks to the exhibitors for making the long journey, I thoroughly enjoyed judging the breed today and had a small but quality entry. Temperament was excellent. The wind made many dogs act like skittish racehorses but I felt movement had improved considerably since last time I judged, only a couple could have knitted a complex cable pattern. Fronts are not perfect, with short/steep upper arms still very much in evidence. Coats presented a few problems which I sometimes forgave as the dog overall was better than its rivals. Thanks to the efficiency of Trish and my other steward I managed to complete judging well in time for the group. I was delighted to see my BOB win the Group and then go Best in Show, & was positively ecstatic when my BOB Vizsla went reserve BIS. It'll be a long time until I have such a good day!

1st: SMITH DALMINSHI STARCLUSTER

9 month black with good decoration, deepest black on pure white and nice head. Moved soundly if a little close, keeping a good topline. Tail carried well. Very much a baby at the inbetween stage.

2nd: CARVELL TUMBREL TEXASGOLD BY LILAL

11month liver, with good head and eye colour. Good turn of stifle, drove from behind keeping a level topline on the move. Rather narrow in front.

3rd: HARDY MOUNTSORREL CRESCENDO

1st: DUNNACHIE SOPHTSPOT SUGAR DADDY AT DVOJICA JW

Black with lovely spotting on pure white background. Kind head and expression with nice dark eyes. Good bone, correct construction, level topline and good tail carriage. Moved soundly with long striding action, driving well from strong quarters, front could be tighter.

2nd: LETCH KASHTANG PACIFIC ECLIPSE Very sound on the move from all angles, covering plenty of ground from the side. Good construction all round. A little overdone in spotting.

3rd: KENYON MARRICDALE HERO OF TIME

1st: LEWIS MAN ABOUT TOWN AT HUNTERSWOOD JW

Sound, cobby black spotted boy with good head and dark eyes. Straight front, good bone, compact body with good depth and well muscled quarters. Best movement in this class.

2nd: LETCH KASHTANG PACIFIC ECLIPSE

3RD: WILSON BOVAL HURRAY FOR HARRY

1st: STOCKS DALMARK THE SHADED MOON AT NOSPAR JW

Quality liver dog maturing nicely, excellent coat colour with even decoration. Lovely dark eyes with kind expression, good head framed by nicely broken ears. Nice clean neck into well laid shoulders. Good depth of brisket, short loin and strong quarters. Clean outline standing but didn't move his best today, tended to crab; possibly the wind or he would have been in line for top honours

2nd: KAZANA DALZANA KING OF JOPPA

Black spotted boy with evenly spaced decoration on pure white background. Felt he lacked a little impulsion from the rear but moved soundly, keeping a level topline and covering sufficient ground.

1st: BOLT FAKENHAM FLASH GORDON

Liver boy who excelled on the move, absolutely true viewed from every angle. Good construction with correct upper arm & shoulder placement and rear angulation to complement. Strong well muscled quarters which powered him round the ring with long reachy stride, and effortless movement. Pleasing head and expression, nice spotting. Would prefer a little more elegance in neck but the dog overall presented a good picture. Delighted to award him the CC.

2nd: RANCES OLBERO OWTKACHIT

Another liver boy with good head planes and construction. Presents a balanced outline standing. Felt he wasn't concentrating fully today as he wasn't moving as well as I know he can.

3rd: JACKSON WIVECUM WEAVER AT JACKDAW

1st: MCCARTHYS CH/IR CH TOLLWOOD LIONEL AT KILNDANDY J.W.

Another quality liver boy, who has near perfect construction and size. Beautifully put together with correct angulation all round. Good bone and feet. Correct tail set and carriage. So sound when viewed from every angle, very economical movement. Lovely kind expression, lovely head & ears and good coloured clear spotting. Like his owner, just wish he would show a bit more animation, he is good enough to beat the lot. Res CC.

2nd: WRIGHT CH FFIGLINA NEW HORIZONS AT MILLBELLE JW Sh.CM

Nice liver boy with attractive decoration, a little strong in head for me but soundly constructed body with good lay of shoulder, excellent turn of stifle & strong quarters. Moves well with powerful driving rear action. Real stallion dog.

3rd: BALE-STOCK SPRING CELEBRATION BY APPALOOSA

Always seem to place him 3rd, but no disgrace in this company, lots to like about him. Good sound boy.
