# Judges Critique

## DOGS

I would like to thank the North of England Dalmatian Club for inviting me to judge the dogs at this show. I would also like to thank my stewards, Chris and Wendy Toynton.

I was very surprised to find that many of the dogs had serious coat problems, rather more than usual. I have always been of the opinion that skin problems only occur in the young stock, but not today, some of the more mature dogs also had problems.

### Spc Jnr Vet. (5,0)

(1) Moateâ€™s Sugardale Sundown. Good black spotting. Attractive head, good dark eye, topline and tailset. Really enjoyed himself BVIS.

(2) Taylor and Mackinnonâ€™s Ch Frankish Desert Trouper. Attractive black spotting on pure white. Lovely overall picture, but did not sparkle today.

(3) Moseleyâ€™s Ch Loxleyvale Khartoum.

### Spec Vet Dog No entries

### Minor Puppy Dog (2)

(1) Whiteâ€™s Roadcoach Rambler. Promising Black spotted boy. Nicely balanced, well off for bone, dark eye. Moved well when settled.

(2) Gates Rawâ€™s Jabbawock the Sorcerer at Ribblehill. Good black pigmentation, dark eye. Plenty of substance, very much a baby

### Puppy dog (8,2)

(1) Jubbâ€™s Dalmark the Double Agent. Attractive liver. Nice head and eye colour, good topline, moved well but must not grow on.

(2) Smithâ€™s Dalminshi Star Cluster. Confident black spotted boy. Masculine head, good reach of neck, dark eye. Moved and showed well.

(3) Whiteâ€™s Roadcoach Rambler

### Junior Dog.(8,2)

(1) Dunnachieâ€™s Sophtspot Sugar Daddy at Dvojica. This eye catching young dog is in lovely condition. Clear black spotting and good overall outline. Moved well, very much enjoys himself.

(2) Kenyonâ€™s Marricdale Hero of Time. Well grown black spotted dog. Nice head and eye, kind expression., good bone. Once settled, moved well, keeping a good topline.

(3) Whitingâ€™s Dalesbred Djamaica at Cragvallie

### Yearling Dog (7,2)

(1) Lewisâ€™s Man About Town at Hunterswood. A really sound and nicely balanced young dog. Black spotting still needs to clear. Good topline which he keeps on the move. Correct tailset. Will do well in the future.

(2) Lambâ€™s Dalpetro Dettori. Elegant black spotted boy. Nice head and eye colour, firm topline. Good tailset, just needs to settle on the move.

(3) Gibbâ€™s Phandante Supatroupa

Bitches

It was a great pleasure and honour to judge the bitches at this Show. Thank you to the exhibitors for your entries and to the Committee for a well organised Show which appeared to be enjoyed by all who attended.

I found the quality to be generally very good. There are some lovely puppies coming through and I wish them a successful show career. Almost without exception I found all exhibits to be of good and happy demeanour. All were presented in clean, hard condition although there was some evidence of the dreaded â€˜daily rashâ€™ which influenced some of my placings.

Shoulder placement was disappointing in some exhibits. They lack the length in the upper arm and present themselves with a short stilted front movement and are unable to achieve the smooth rhythmic action required of the breed. Perhaps this is something of which to be mindful.
