Judges Critique

It was a real pleasure to judge the Championship Show of the British Dalmatian Club at the Three Counties Showground at Malvern on Sunday August 5th 2007.
We saw some lovely Dalmatians and not one of them in the dog classes was shy or was not behaving himself. The way the Dalmatians were shown was excellent and quite different from what we have seen in some other countries. There was one thing I find that should have some attention in the future: the length of the tails. There are quite some Dalmatians with rather short tails. This is certainly not a typically English issue but a more general international problem. I also found some lack of shoulder angulation

Class 1 â€“ Minor Puppy Dog (1)
1. Jabbawock the Sorcerer at Ribblehill â€“ 7 months. Nicely proportioned puppy with a nice pigment - attractive head â€“ dark eye â€“ good ear carriage â€“ would prefer a better rear angulation â€“ movement slightly narrow behind â€“ hope he gets a more outgoing temperament.
Class 2 â€“ Puppy Dog (6)
1 Winflash Harvey Wallbanger Nicely proportioned dog but rather tall â€“ excellent catfeet â€“ offers a good topline â€“ nice head â€“ would prefer a richer spotting and pigment- offers a good movement.
2. Dalminshi Star Cluster â€“ Nicely proportioned dog â€“ good head and pigment â€“ nicely angulated â€“ topline needs more strength â€“ feet could be stronger â€“ happy temperament
Class 3 â€“ Junior Dog (11)

1. Tumbril Texas Gold by Lilal â€“ Deep liver color â€“ rich spotting and pigment â€“ excellent catfeet â€“ well muscled â€“ good eye and expression â€“ well laid shoulder â€“ overall nice balance â€“ easy mover and happy temperament.
2. Dalesbred Dreadlocks â€“ offers a nice balance and pigment but needs to develop more maturity â€“ eye could be slightly more dark â€“ moves well.

Class 4 â€“ Yearling Dog (8)
1. Man About Town at Hunderswood JW â€“ Nice head with dark eye â€“ suffers from dally rash â€“ offers a good substance and is well proportioned and angulated â€“ moves very well.
2. Dalpetro Dettori JW â€“ offers a nice balance and is well angulated â€“ good pigment â€“ moves well â€“ nice type but needs more maturity.

Class 5 â€“ Novice Dog (9)
1. Tumbrill Texas Gold by Lilal (see Class 3)
2. Winflash Harvey Wallbanger (see class 2)

Class 6 â€“ Undergraduate Dog (5)
1. Tollwood Highland Chieftain at Philcarth â€“ Nice head and expression â€“ lovely dark eye â€“ good spotting and pigment â€“ correct topline â€“ well angulated â€“ feet could be stronger â€“ rather loose in movement.
2. Phadante Supatroupa â€“ nicely proportioned â€“ well formed head â€“ would prefer a darker eye â€“ could have more shoulder angulation â€“ rather narrow rear movement â€“ some more spots would work in his advantage.

Class 7 â€“ Graduate Dog (5)
1. Tollwood Highland Chieftain at Philcarth (see class 6)
2. Caldeacre Cordeiro Tajada â€“ nice proportioned but richly sized â€“ offers a nice liver color â€“ feet could be more closed â€“ rather narrow in rear movement â€“ good temperament.

Class 8 â€“ post Graduate Dog (8)
1. Sophtspot Sugar daddy at Dvojica JW â€“ CC â€“ stylish dog with nice coat and well marked spots â€“ nice head which is proudly carried â€“ excellent topline and well balanced â€“ deep black pigment â€“ well angulated â€“ good catfeet â€“ a little bit narrow in the rear movement â€“ moves around proudly and with great style.
2. Sundownâ€™s Chocolate Chip â€“ nicely proportioned and deep brown pigment â€“ rich spotting â€“ feet could be stronger â€“ rather narrow in the rear movement â€“ rather too proud tail carriage.

Class 9 â€“ Mid Limit Dog (2)
1. Hispot Hispirits JW â€“ nicely spotted dog with good substance â€“ dark eye and nice expression â€“ good lay of shoulder â€“ feet could be more closed â€“ needs more strength in the rear movement â€“ rather loose in front.

Class 10 â€“ Limit Dog (9)
1. Dalmark the Shades Moon at Nospar â€“ stylish liver dog with excellent topline â€“ proud attitude â€“ nicely proportioned â€“ rich liver color and excellent coat â€“ good head and expression â€“ good pigment â€“ nice catfeet â€“ good shoulder angulation â€“ moves easily around.
2. Oneowun Mr Bojangles at Dalyance â€“ nice proportioned with good pigment â€“ nice head and expression â€“ good catfeet â€“ rather narrow in the rear movement

Class 11 â€“ Open Dog (8)
1. Ch Bell A Mirâ€™s Elegant Envoy resCCâ€“ strong dog with excellent balance and well proportioned â€“ well

angulated in front and rear â€“ good feet â€“ good head and pigment moves fluent - a little loose in front.
2. Ch Washakie Chief as Great As JW â€“ a well balanced og with excellent deep black spotting â€“ rich pigment â€“ good head â€“ would prefer a better lay of shoulder â€“ well angulated rear â€“ nice catfeet â€“ alert attitude â€“ moves well â€“ a little narrow in the rear.

Class 12 â€“ Special Memorial Open (6)
1. Ch Tollwood Lionel at Kilndandy â€“ excellent liver dog with good substance and proportions â€“ nice head â€“ excellent spotting and coat condition â€“ correct topline â€“ sufficiently angulated â€“ moves easily around but slightly narrow in the rear.
2. Elaridge Quincie JW â€“ elegant liver dog â€“ correct head and soft expression â€“ correct topline an tailset â€“ would prefer more angulated hindquarters â€“ slightly narrow in his rear movement.

Class 13 â€“ Special Junior Veteran Dog (9)

Class 14 â€“ Special Senior Veteran Dog (1)
1. Saron Edward Fawr at Dakilya â€“ Liver dog â€“ nicely proportioned and excellent pigment â€“ feet could be stronger â€“ nice head and expression â€“ good condition â€“ rather weak movement.

BITCHES

It was a privilege and pleasure to judge the bitches at the British Dalmatian Club Championship Show. I would like to thank my stewards Bill and Jane Gardner and show manager Linda Moore for all their help and support. Also the BDC committee for their hospitality and their memorable gift, not forgetting my co-judge Franz-De-Ridder in that after our deliberations we amicably agreed on all the main awards.

Minor Puppy Bitch (4)
1. Pickups Roadcoach Ribbons and Roses Well grown puppy of just six months. Large clear black spotting on firm white coat. Dark eye, pretty head framed by nicely broken ears. Strong bone to well padded feet. Nicely angled shoulder and hindquarters. Moved with good strong action from behind.
2. Kaals Caldecacre Celsie. Also just six months old. Quite heavily marked with the â€œold fashionedâ€• type of smaller liver spotting. Most attractive feminine head. Elegant neck flowing into level topline. Moved very well from shapely rounded hindquarters.
3. Gartons Jabbawock Pepper Up Potion.

Puppy Bitch (16 â€“ 1 absent)
1. Harrison-Stratfords Dalkereve Dark N Divine. Black spotting, clear and well distributed. Attractive head with ears well carried and attentive to handler. Round bone to cat feet. Good fore chest and well rounded ribcage. Good angles of shoulder and hindquarters. Moved with strong drive from behind. Best Puppy Bitch
2. Kembreys Dalmark The Supersleuth. Liver spots could have been painted on, so even and clear and of correct size. Feminine head framed by beautifully marked ears. Nice reach of neck into good shoulder and topline. Movement a little apprehensive today. (I understand after a traumatic visit to the vet) but regained her composure in â€œnoviceâ€• to move happily and well. A beautiful typical young bitch. In fact two very promising puppies.
3. Pickups Roadcoach Ribbons and Roses.

Junior Bitch (12 â€“ 1 absent)
1. Scott-Allen & Davis Tolutim Zaffre. Even black spotting on sparkling white coat. Clean cut classic head framed by lovely spotty ears. Well placed lay of shoulder and well rounded ribcage. Substantial bone to tight cat feet. Strong well muscled hindquarters used to advantage in her balanced driving movement â€“ absolutely in harmony with her handler.
2. Thorns Caprillis Elfin Isadora. Well grown junior in a larger cast than 1. Quite profuse, but evenly distributed liver spotting. Lovely neck carriage to firm topline. Good in fore chest with deep ribcage. Well muscled in hindquarters. Her beautiful flowing correct movement gained her this second place in a very good class.
3. Blacks Boval Buduicca

Yearling (12- 3 absent)
1. Lambs Dalpetro Desdemona JW. Evenly decorated clear black spotting. Nicely marked head. Dark eye and ears well carried. 1. Storey-Taylors Kesteven Rainbow Chaser . Immaculately decorated and presented with clear black even spotting. Built on classic lines showing clean strong neck to excellent lay of shoulder and level topline. Strongly muscled hindquarters to well let down hocks. Good bone throughout. Movement correct to and fro, keeping excellent level topline and tail carriage in profile.
2. Willis Cibrith Black Magic. Black spotted, pleasing head with good reach of neck to clean lay of shoulder. Nice spring of rib and deep fore chest. Well rounded quarters, strong over the loin.
