Judges Critique

My first appointment awarding CC's to our lovely breed. Thank you to all of you who entered under me and for making it a day I'll remember forever. General points to note: On the plus side, all dogs were shown with clean coats and teeth. On the minus side, please watch tail sets, a Dalmatian's tail is supposed to be a continuation of the spine, with a slight upward curve. Not a flag pole that has been stuck on the end of the spine at right angles to it.

Minor Puppy Dog (2,0)

1st Mrs. K. Goff-Leggett's Washakie Azlan - 8 month old liver spotted puppy. Dark amber brown eyes with full pigmentation. Lots of substance, particularly well off for bone, good bend of stifle. Lovely clean white coat with dense spotting. Very nice character with a happy personality.

2nd Dr. D. Eden's Dupree Lad - 8 month old puppy, similar make and type to one. Straighter in stifle and not so happy about being shown.

Puppy Dog (8,3)

1st Mrs. K. Goff-Leggett's Washakie Nutcracker Prince - Litter brother to 1st in MPD. Lovely black spotted puppy. Moved quite well and soundly around the ring. Good bend of stifle, well off for bone. Lovely waggy tail, not as confident in the ring as his litter brother. BPD, BPIB.

2nd Miss Precious' Holderness Henry Higgins By Lupiac - 9 month old black spotted puppy. Of the bigger sort. Lovely temperament with a very expressive face. Preferred the overall movement of one in this class.

3rd Mr & Mrs. R. Tingey's Holderness Hillbilly By Dallyador.

Junior Dog (5,1)

1st Mr. & Mrs. R. Morgans' Elaridge Celtic Warrior - Just 13 months old this handsome dog with a lovely temperament. Good pigmentation with even sized spotting on a clean, white coat. Good bend of stifle, front movement not as positive as I would like but that will come with age. Moved with purpose, covering the ground well in the ring.

2nd Mrs. F. Hartley & Mr. J. Griffiths' Creaganbrec The Favourite At Miragua - 14 month old black spotted dog. Lovely temperament, very expressive face. Well off for bone. Lovely dog - very hard choice between these two, one just seemed to have the edge on maturity.

3rd Mr & Mrs. G. Nisbet's Dalmatas Hecules.

Yearling Dog (2,0)

1st Mr. & Mrs. R. Ayers' Elaridge Evolution - 13 month old black spotted dog. Well off for bone, good lay of shoulders, good bend of stifle, lovely long tail. Moved correctly fore and aft. Full of character, almost too full of himself! Lovely black spotting on a clean white coat. Lovely dog all round.

2nd Mr & Mrs. G. Nisbet's Dalmatas Hecules. 3rd in Junior class. Smaller make and type, movement somewhat erratic, probably due to the handler racing round the ring rather than moving at a steady trot! Beautiful white coat, with dark black spotting. Good character.

Post Graduate Dog (6,1)

1st Mrs. J. Letch's Kashtang Pacific Eclipse - Black spotted dog, taller than I would prefer. Lovely, clean white coat with correct pigmentation. Excellent teeth. Sound movement, solid bone, correct bend of stifle, lovely long tail. Nice dog all round.

2nd Mrs. C. Oatridge's Dalehouse Chatanooga - Black spotted dog of correct size, well off for bone, sound movement, correct tail set. Full of character. Lovely class of dogs, just a shame about the abundance of dally rash which made some look so dirty!

3rd. Mr. & Mrs. B. Levy's Motek Nottinghill Norman.

Limit Dog (10,2)

1st Mrs. L. Lewis' Man About Town at Hunterswood JW (ShCM) - Nothing over exaggerated on this black spotted dog. Beautiful dark eye with all pigmentation present. Ears set correctly on which made for a lovely expressive face. Good depth of chest, well off for bone, good bend of stifle, correctly set tail. Covered the ground well with his driving action from behind. Beautiful all round dog, if he'd wagged his tail anymore he would have taken off! RDCC.

2nd Mr. S. Bolt's Buffrey Belleissimo At Fakenham - Handsome, black spotted dog. Well off for bone. Very expressive face, lovely character. Moved with purpose round the ring, covering the ground with drive. Correctly set tail, handler needs to not over stretch this dog whilst standing him!

3rd Mr. & Mrs. I. and Miss C. Page's Winflash Harvey Wallbanger.

Open Dog (7,3)

1st Mrs. H. Hoie's Int. Ch. Norw/Dk/Swed/Nord Bell-A-Mir's Elegant Envoy - Lovely, black spotted dog. Excellent make and shape. Covered the ground so effortlessly. Lovely expressive face, full of character, beautiful dark eye, well set ears. Immaculate white coat with clear, black spotting finished with a correctly set tail. Good bend of stifle. lovely level top-line, stood and on the move. Front movement could be tighter but the sum of the rest of his attributes could not deny him the CC. Understand this was his third. Great to see him pulled out for the final 8 in an outstanding Utility Group. DCC and BOB.

2nd Mrs. F. Hartley & Mr. J. Griffiths' Miragua the Explorer - Another lovely black spotted dog. Covered the ground well moving with drive from behind. Very expressive face, lovely deep chest, good bend of stifle, correctly set tail. Unlucky to meet one on such top form!

3rd. Mr. S. Bolt's Ch. Fakenham Flash Gordon.

Yearling Bitch (7,3)

1st Mr. P Hallum's The Jazz Singer - What a sweetie! Lovely black spotted bitch with a beautiful, clean, white coat.. Best mover in this class today. Deep brown eyes. Correct bend of stifle, real waggy tail, only stopped when she sat on it! Excellent temperament, lovely, lovely bitch.
