Judges Critique

The Northern Ireland Dalmatian Club held itsâ€™ Championship Show on Saturday 27th September 2008. It was an honour to be asked to Judge this Show and my thanks go to the Officials and Committee of the Club for making me so welcome at this, my first CC appointment. My thanks also to all Exhibitors, many of whom made very long journeys to attend, for a good entry with some top quality dogs to go over.
All exhibits were presented in nice clean condition with clean teeth and all temperaments were excellent. I would ask Exhibitors to not overlook feet and ensure nails are short as the â€œtight cat-like feetâ€• synonymous with our lovely Breed cannot be achieved if nails are too long. Tail sets also varied with some being too high. A few were suffering from Dally rash or poor coat condition which did affect my placings on the day. Overall I was very pleased with the quality of my top winners who all exhibited strong flowing movement and good conformation to the Breed Standard.

Puppy Dog (1,0)
1. Goff-Leggettâ€™s Washakie Nutcracker Prince
11 month old black spotted dog who is definitely one to watch for the future. Dense black spotting on a pure white coat. Good head with dark eye and well set ears. Elegant neck flowing down into level strong topline and correctly set tail. Good depth of chest and well sprung ribcage. Moved with a flowing balanced action and freedom of movement. I was very pleased to award him Best Puppy in Show.

Junior Dog (2,1)
1. Staceyâ€™s Reignbows Matisse
Fairly heavily marked black spotted but this did not detract from overall appearance. Still very much a youngster who will improve with maturity and well muscled up for one so young. Good overall conformation and was well balanced on the move with nice level topline.

As previously.
2. Taylorâ€™s Dalandus Flash Harry
Black spotted lighter marked than 1 and a little longer overall. Good head with nice dark eye, well broken ears and a pleasing expression. Plenty of round strong bone. A little erratic on the move on the day which will improve with maturity. Overall a happy dog who was enjoying himself.

This lovely black spotted girl exuded quality as soon as she walked into the ring. From nose to tail she is perfectly put together and feminine throughout without any exaggerations whatsoever. Square front with correct lay of shoulders, good round bone and tight feet. Deep chest and excellent spring of rib. Good hindquarters with correct tail set and turn of stifle. Well muscled without a hint of coarseness. She excelled in movement at one with her handler, striding powerfully around the ring with a flowing rhythmic motion and did not put a foot wrong. I was very please to award her the Bitch CC and Reserve Best in Show.
2. Dunnachieâ€™s Ch Djovica Voodoo, JW
What can be said about this magnificent black spotted bitch that has not already been committed to print. She is quality throughout. Attractive head and expression, good reach of neck flowing into level topline. Ideally balanced of ideal size, she has excellent muscle definition. Good deep chest. Front assemble and round bone with tight feet. Strong loin and good hindquarters. This is another bitch who is at one with her handler and has a fluent, free flowing movement correct in every aspect. I thought that she had lost a little of her usual sparkle today, hence the placing.
