Judges Critique

DOGS

Minor Puppy 16(3)

- (1) Pascoe's Candidals the Fire Starter. A large class of puppies all at various stages of development. I am sure places will change, but this liver baby really pleased. Just 6mths, nice size with growing still to do, a standard type with even spotting, correct front, pleasant head with spotty face, good feet and tail, he moved steadily. I am sure his owner will have fun with him BPD
- (2) Rose's Candidals Run Forest Run. Liver litter brother to 1, and close up. Maybe a touch longer in back, clean outline and displaying easy showmanship for one so young. Well made with expressive head, good feet and movement.
- (3) Christie's Sophtspot Abracadabra.

Puppy 11(2)

- (1) Pascoe's Candidals the Fire Starter.
- (2) Christie's Sophtspot Abracadabra. Very well handled stylish black. Masculine head and good eye colour, even spotting, steady movement, just a little slack in his top-line on the stand today
- (3) Ward's Lupiac Pay the Piper

Junior 6(2)

- (1) Goff Leggett's Washakie Nutcracker Prince, Attractively black spotted compact youngster, well handled to show his many attributes, clean distinctive shape, head, eye colour, feet and tail are good. He is maturing well and looked a picture today, Steady movement.
- (2) McCarthy's Kilndandy Old Copper. Another lovely dog, built on clean lines, very eye catching liver spotting, has great ring presence, a joy to watch striding around the ring. Unfortunately carrying a little too much weight today thus spoiling the shape and line of his neck.
- (3) Eden's Dupree Lad at Dalens

Yearling 6(2)

- (1) Hartley and Griffith's Ch Creagenbrec the Favourite at Miragua JW. Positively sparking and commanding attention with his spectacular black spotting on clear white coat. Shapely with kind head and dark eyes, strong steady mover and beautifully carried tail
- (2) Eden's Dupree Lad at Dalens. Out of a smaller mould than one, a sound dog with sweet temperament, profuse liver spotting, nice outline with good tail and feet, steady movement.
- (3) Kay's Kaytian One Cool Kat JW

Post Grad 6(0)

- (1) Goff Leggett's Washakie Aslan. Another good one from this kennel. Litter brother to junior winner and many of the same attributes. Standard size, with substance, good construction and attractive liver spotting, steady mover, well-carried tail, standing and moving.
- (2) Baker's Oneowun Ohio. Unlucky to meet one. Although a little older possibly not as mature. A taller dog with kind demeanour, quite shapely, he has strong hindquarters giving him a good positive stride. Very good head and clear black spotting, bone and feet good, he just needs more time to come into his own and learn how to project himself a little more.
- (3) Ely's Wintermine Dynamo.

Limit 9(2)

- (1) McMillan's Oneowun Mr Bojangles at Dalyance. Eye-catching classy short backed black. True to the standard, he is mature, and combines substance with elegance Spotting of the highest order, steady on the move, good tail carriage. Had a tendency to go off the boil at the crucial moment thus spoiling his chance of a higher award
- (2) Beaumont and Croft's Koroyza Grippi Il Miracola. Rangier than one, upstanding mature masculine dog, who is attentive to his handler at all times. Uses his ears well, dark eye and good reach of neck. Black spotting is good, stylish movement.
- (3) Lamb's Dalpetro Dettori JW

Open 7(0)

- (1) Cutt's Ch Kaytian Kalypso to Marzelina. Mature 4yr old liver who epitomizes the standard. Perfectly balanced with beautiful even markings of good colour, super head, elegant neck, firm well muscled hindquarters. Steady precise mover, maintaining his shape in profile, did not put a foot wrong and I was delighted to award him the CC and BOB

- (2) Parlaâ€™s Washakie with Distinction. Black, who has the same sire as one. Taller type with clean outline, masculine but elegant, attractive head and ear carriage. Shown in immaculate condition. Carries himself well on the move. RCC
- (3) Dunnachieâ€™s Ch Sophtspot Sugar Daddy at Dvojica JW
