Judges Critique

I was surprised to find there were quite a few high tail sets which does spoil the topline, a number of mouths were questionable and also I felt there were some untypically small sized bitches. However with such a depth of quality in most classes I was able to find some wonderful representatives of the breed. We were privileged to have a large outside ring, wonderful to assess a moving breed.

Minor Puppy Dog (2,0abs)

1st Crofts Doubtwell Show Stopper A promising B/W youngster with attractive dense black spotting on a clear white background. Nicely made with lovely rounded bone and substance. Masculine head with a reach of neck into level topline with well balanced quarters and good body proportions. A good depth of brisket and spring of rib. Strong hindquarters with well let down hocks which he used well on the move. Good muscle tone, bone and tight feet. 2nd Corcoranâ€™s Dalmark the Sandwizard L/W with lovely head and expression. Has a clean outline and pleasing size. Soundly made with well angulated hindquarters and a width of thigh. Good bone and substance. Moved quite well. Just lost out to 1 on front construction.

Puppy Dog (8,3)

1st Goodswenâ€™s Tamilanda Pink Vigilante from Alphadal. A stylish and elegant male with a clean outline, very good for size, balance and shape. Scored on front assembly. Nice head and ear set with clean neck and shoulders, a level topline and correct underline with strong loin. Well angulated, firm hindquarters with a good width of thigh and hocks well let down. Moved soundly, particularly in profile. Well presented. 2nd Williamsâ€™ Phadante Brighton Rock. Handsome L/W youngster, lovely masculine head with good skull proportions and good length of neck into a well made forehead. Sound in topline with defined croup. Well bodied with a depth of brisket and spring of rib. Good muscle tone and rounded bone. Moved well, with reach and drive in profile movement. 3rd Pascoeâ€™s Candidals the Firestarter

Hindquarters well developed with good turn of stifle, second thigh and hocks well let down. Excellent depth of brisket giving plenty of heart and lung room. Good legs and feet with nice bone and strong pasterns. Scored here on movement, covered the ground extremely well. Close decision between the first two places. 2nd Goodswenâ€™s Tamilanda Pink Vigilante From Alphadal. 3rd Beaumont & Croftâ€™s Koroyza Candy man
