# Judges Critique

BIRMINGHAM NATIONAL 2004

Thank you all for the lovely entry it was an honour to go over your dogs I think they appreciated the sunshine and being outside as they have much more room to move I looked for a long striding standard dog and bitch and I feel I found them in both the CC winners and res CC awards Eye colour has improved dramatically very few light eyes some narrow fronts and quite a few high tail carriages Temperament overall was good one or two youngsters could do with more exposure to day to day happenings That said I had very many happy exuberant licks and grins and really enjoyed my day.
