- Res** Polypeck Premier Passion At Daffydal (JW), Dodds & Pearson

Brace

- 1 Tingey's Brace (JW)
- 2 Dore's Brace (JW)

Judges Critique

I thoroughly enjoyed my day and would like to thank all exhibitors who honoured me with the opportunity to judge their dogs. Additionally, thanks to the officers of the club for their warm welcome, and to the members for their invitation to judge.

Special thanks also to my stewards who kept things moving in a most efficient way throughout the day.

Quality in most classes was good, temperaments were excellent, and it was pleasing to find that the majority were well muscled at the end of the long winter.

There was some variation in height and spotting, both of which I feel need close attention. Tick markings seem to be creeping back in and rather spoil the picture, as does overly large and uneven spotting.

Whilst correct conformation and size cannot be overlooked, I believe that the physical feature that makes a Dalmatian so different to other dogs, its spotting, warrants more attention than it receives when considering the requirements of the breed standard.

I was delighted with the quality of the main winners at this show and pleased to see some promising youngsters coming up through the ranks. With such a spacious ring, it gave everyone the opportunity to move at their best.

Veteran Dog 3 (1 abs)

1st : McCarthy's ~ Ch. & IR Ch. Tollwood Lionel at Kilindandy JW

A dog that I have long admired from the ringside. Presented in excellent condition. Difficult to add to the praise already heaped upon him. Classic outline, proportions and size, excellent spotting and pigmentation. Can move so effortlessly when he wants to, and today he did. Best Veteran In Show.

2nd : Davis's ~ Streamline Magic Secret

This handsome black is always presented in such good hard condition and knows how to move. Taller than 1 with masculine head and friendly expression, lacks the bend of stifle to move with the balanced drive of 1. Pleasing spotting. A credit to his owner.

Minor Puppy Dog 1 (1 abs)

Puppy Dog 2 (0 abs)

1st : Talbot's ~ Winflash Willie Do It at Leaveslake

Nicely balanced with dark eyes and pleasing head. Moved out so positively for a youngster holding his balance and topline on the move. Soundly made with good bone. A promising future awaits this quality dog.

2nd : Whiting's ~ Cibrih Captain Kirk

Moved out well. Good depth of brisket and tuck up. Lacks the overall balance and bend of stifle of 1, but much to like about him.

Junior Dog 2 (1 abs)

1st : Pearson & Dodds ~ Kelevra Hudson Hawk

Boldly spotted, he moved confidently around the ring. Pleasing head and dark eyes, well defined withers, good depth of chest and good topline. Still showing his youth, but looks promising.

Maiden Dog 0 (0 abs)

No Entries

Novice Dog 2 (1 abs)

1st : Carr & Bellwood's ~ Natomois Ursa Major

Liver spotted dog, not without merit, but for me the overly broad head spoilt the picture. He has good front construction with deep chest and can move well.

Graduate Dog 2 (2 abs)

Post Graduate Dog 8 (1 abs)

1st : Holburn's ~ Glenlion Bowmore Bounder

Well balanced liver with well distributed decoration and good pigmentation, well proportioned head and body, nicely arched neck into well defined withers. Moved well with good drive and reach. A youngster who is coming together nicely.

2nd : Burrows' ~ Daedalus Deacon Blue at Shacarlú

What a lovely picture this well balanced young dog presents. Excellent bone, nicely proportioned with good front and

rear angulation, friendly masculine head. Movement was strong and precise with well held tail and topline. Just needs a little more maturity and his time will come.

3rd : Hernandez's ~ Dalminshi Star Gazer

Limit Dog 8 (1 abs)

1st : Adderley's : Leiahart Chicago Bear

I found everything I was looking for in this outstanding young dog. Presented in superb condition with the clearest of spotting on superb coat. Good firm muscle added to the impression of a dog in top physical condition, and very much fit for purpose. Gorgeous head into nicely arched and tapering neck, well defined withers and deep brisket, overall nicely proportioned dog with good bone and angulation. Best in Show

2nd : Kay's ~ Kaytian One Kool Kat JW

A little finer in body than 1 but nicely balanced liver, moved well with well held topline.

3rd : Tingey's ~ Holderness Hillbilly by Dallyador JW

Open Dog 5 (1 abs)

1st : Goff-Leggett's ~ Washakie Aslan

A nicely balanced liver, of correct size with attractive head and expression. Soundly constructed with good bone, spotting quite evenly distributed, this dog is easy on the eye when standing, and does not disappoint when asked to move. Easy powerful movement with good drive, he maintained his overall outline and balance. Reserve Best Dog.

2nd : Lamb's : Dalpetro Dettori JW

A pleasing dog, not quite as long in the loin as 1, but presenting a well balanced & muscular outline with everything in proportion. He did not disappoint with balanced effortless movement.

3rd : Goodswen's ~ Tamilanda Pink Vigilante from Alphadal JW

Veteran Bitch 8 (2 abs)

1st : Page's ~ Ch. Winter Magic JW

Having shared the ring with this lovely bitch on many occasions, I was pleased to see her enter the ring and not disappointed when going over her. Such a nicely shapely bitch of correct size, age has not slowed her on the move. She obviously still enjoys her showing and positively flowed effortlessly around the ring with an excellent stride and reach.

2nd : Richardson's : Dalmark Moon Europa JW

Another well balanced bitch who moved well but age did not allow her to have quite the overall drive or presence of 1. Nonetheless, showed much of her old magic and presented a pleasing balanced outline.

3rd : Dore's ~ Dalkereve Dazzling Diamond

Minor Puppy Bitch 2 (1 abs)

1st : Newton & Newton-O'Brien's ~ Cubalibre Polkadot

Just 6 months old this liver puppy has a way to go yet to reach her full potential. Pleasing spotting, good bone and showed she was capable of moving with good stride and drive.

Puppy Bitch 8 (2 abs)

1st : Talbot's ~ Pollypeck Prada of Leaveslake

What a picture this delightful youngster paints! Excellent overall balance. Lovely head, nicely arched neck into well defined withers, good depth of brisket, well sprung ribs and good tuck up. Moved with real presence and drive around the ring holding an excellent topline. One I shall follow with interest. Best Puppy In Show

2nd : Gibb's ~ Phadante Dixie Lily

Confident and feminine, displaying nicely balanced outline that was held on the move. Close decision for first place. She exhibited good positive movement for one so young. Good angulation front and rear contributing to effortless movement around the ring.

3rd : Willis's ~ Cibrith Constellation

Junior Bitch 7 (1 abs)

1st : Neath-Duggan's : Buffrey Gift Wrapped

Alert and confident youngster with excellent conformation from nose to tail. Shown to advantage, she did not put a toe wrong. Showed off her quality with strong effortless movement whilst holding her balanced outline, she topped a class of quality.

2nd : Page's ~ Winflash The Final Magic

Difficult to separate this lovely bitch from 1 and on another day places could be reversed. Shared all the qualities of 1, but just favoured the overall picture painted by the winner.
