# Judges Critique

Thank you for bringing your much loved dogs for me to go over. Most greeted me with a happy face and a wagging tail. I found it impossible to judge to type as we seem to have completely lost it. The dogs were all shapes and sizes. Heads need watching and I found level bites and one reverse scissor bite. Are we trying to create a new bull breed? The standard clearly asks for a scissor bite. Some dogs would have done better but were let down by their handlers. See Miss Page and Miss Garton for a lesson in how to move and show a dog to advantage! A Dalmatian should move with freedom and drive. Spotting is reasonable but ticking is creeping in I think eye colour has improved with not too many light eyes around now. We must watch size carefully and whilst I never put a dog down for its size if it is balanced the breed is getting a bit too high on the leg. Our breed is not an easy one to get right. I think the bitches generally are more typical. Thank you to my Stewards Bill and Jane and to the Club for their warm welcome.

MPD (2) 1. Collins Tamilanda Pink Panther. Black Baby Boy. Well marked and nice strong bone. Good overall body shape. Shows promise but clearly a long way to go as yet. Paced now and again. Handler and dog will learn together how to have fun. He was a little overawed in the next class. Will watch him with interest. 2. Inghams Tamilanda Perfect Pink. Litter brother and completely different. A long way behind in the development stage and needs much more time. Good coloured spotting but finer in bone. Needs more training.

PD (7) 1 Lewis Dalpetro D'artagnan of Hunterswood. Well grown and boned pup quite rangy at the moment Good shoulder placement Well broken ears head needs to break Moved steadily and was straight and true fore and aft. BPD 2. Cliff and Hipkiss Buttoneux Apollo Gloriously happy pup with a lovely waggy tail Well up to size and wouldn't want him to grow on much more however shows bags of promise Developing along the right lines and should do well 3T Pink Panther

JD (5) Whittings Cibrith Captain Kirk Quite an elegant type and perhaps not the substance I look for but by far the most sound moving dog in this class Handler gets the very best out of him Striking pigmentation Could use his ears more Drove off well behind Tail a bit up on the move Good topline 2 Littlers Kelevra Man in the Mirror Rich coloured spotting Lovely head and nicely marked ears good depth of chest A bit out of tune with his handler Perhaps more masculine than 1 but not moving as well 3 Talbots Winflash Willie Do It at Leaveslake

YD (5) 1 Townson & Pardoes Buffrey Follow that Star Good topline and tailset pasterns and width of thigh Best rear end in the class A little stuffy in neck Too many ticks in spotting 2 Websters Tynevale Truly Talented at Dalmarno Lighter built liver Well broken ears and in good coat A little narrow through front More elegant than 1 and couldnt quite match the movement 3 Kaal Dalmark The Sandman at Schinikka
