Judges Critique

DOGS

I would like to thank the British Dalmatian Club's Committee for inviting me to judge at their Open Show held at The KC's Building at Stoneleigh I was given the honor of judging the Dogs. I would also like to thank my very efficient ring Stewards and my hostess Mrs. Nina R Fleming who looked after me for a week showing me around beautiful Wales. The Exhibitors were friendly and showed their dogs well. I did not see any dogs with bad temperaments and the spotting and coats were overall very good. The dogs were shown with a few exceptions - in excellent show condition. What I especially noted was that many of the males had very good heads with that typical Dalmatian expression.. One observation however was that there were many dogs with upright in shoulders and some had splayed feet - not the typical Cat feet. Please also pay attention to the front's assembly and the croup. My Best Male to my surprise came from MINOR PUPPY DOG - in Mrs. J Alexander's Offordale Chevalier who also went BPIS & BOS and RBIS

When I later looked in the catalogue I had yet another surprise. His Sire came from Scandinavia I had a really great time and thoroughly enjoyed myself and again thank you for inviting me

Junior Handling

I would like to thank the committee of the British Dalmatian Club for inviting me to judge the junior handling at their breed club show. I must say the standard was extremely high and I will watch around the Championship shows for these young handlers representing our beautiful breed with such skill and enthusiasm. All were suited and booted to a high standard and all had a fantastic manner with the dogs that they were handling, a big well done to all concerned.

Class A 6-11 yrs 2 entries 0 absent

1st Callum Clement, very smart young man, 11 years old, handled his dog with confidence. Entering the ring knowing exactly where I was most of the time. Shadowed his dog just the once on the figure of 8, which he had never done before, so he did remarkably well to figure that one out. When asked certain points of the dog he wasnâ€™t quite sure on a couple, he got the pin bone wrong, but im sure he will remember for next time. Full of potential a worthy winner of this class. Missed out on the overall top spot to a young lady who knew all points of the dog, it does make the difference when you have two handlers of equal quality.

2nd Lydia Boden 11 years old a very quiet mannered young lady, gentle in her approach, didnâ€™t quiet have the confidence of 1 but im sure she will soon catch up. Not sure on the points of the dog, but did all required elements that were requested. Has a lovely manner with the dog.

Class B 12-16 yrs 8 entries 2 absent

1st and Best Junior Handler over all Abbie Williams 12 years old and what a fantastic handler, She never once shadowed her dog. Abbie knew all points of the dog that were asked and even knew the body ratios, which I thought, may catch her out. Totally at one with her dog truly a force to be reckoned with. Well done and well deserved.
2nd Alexandra Adderley, 12 years old. Very smart and well turned out young lady. She has a fabulous manor with her dog, as the dog that she handled wasnâ€™t the easiest, but Alexandra took her time and reassured the bitch and then they were at one with each other. She knew all points of the dog that I asked for and she did, not shadow her dog at any time. She was a very close 2nd she just needs to gain that little bit more confidence and ring presence and im sure she will soon be giving Abbie a run for her money. Well done
