Judges Critique

I was very pleased with my overall entry of 96 dogs and 135 entries. I must first of all thank my two superb Stewards who went about their work most efficiently and made my task so much easier. Thanks also to all Exhibitors who attended on a bitterly cold day and for the sporting way all winners were congratulated. All exhibits were presented in nice clean condition with clean teeth and all temperaments were good. As I commented at my last Ch Show Judging, I would ask Exhibitors to not overlook feet and ensure nails are short as the "tight cat-like feet" synonymous with our lovely Breed cannot be achieved if nails are too long and movement is affected. There were quite a few variations in size, make & shape in the younger Classes however I was pleased with my overall winners who exhibited strong flowing movement and good conformation to the Breed Standard. The higher Classes had many quality exhibits which it was a pleasure to Judge.
