Judges Critique

I would like to thank everybody who entered under me today. The weather was perfect if not a little to warm for some. Temperaments were impeccable and the dogs were presented to me in lovely clean condition, I even had a lovely smile from one bitch which I thought was lovely. All the dogs that I placed were fit for function. There were several classes where it was really down to the wire and I'm sure that many of these dogs will change places many times at different shows along the way. Thank you all for taking my decisions in a sporting manner.

Minor Puppy Dog(2,1) Harrison - Stratford Dalkereve Dark Dragon - even though stood alone in this class this l/s boy deserved his placing, presented in immaculate condition, muscling up nicely, nice clear spotting, correct topline, carried his tail correctly, attractive head and uses his ears well. Very happy puppy.
