# Judges Critique

I was delighted with both my dog and bitch line ups; I felt all were deserving winners who excelled in breed type, with some really promising youngsters.

Minor Puppy Dog (2,1) 1. HARRISON-STRATFORD'S Dalkereve Dark Dragon. Attractive liver dog with good bone, substance & muscle tone. Pleasing masculine head & expression with good colour eye. Moved out well with drive and very together for one so young, liked his topline, held well on the move with good croup and tailset. Nicely made with well balanced quarters, a good depth of brisket & spring of rib. Has quality and is very sound. BP & PG4

Puppy Dog (4,2) 1. HARRISON-STRATFORD'S Dalkereve Dark Dragon 2. BAKER'S Dalleaf Devils Disciple. L/W with lovely head and expression. Has a clean outline & pleasing size with good bone & substance. Soundly made firm topline, with defined croup and an equally good underline with strong loin. Well angulated hindquarters, hocks well let down. Just lost out to 1 on front construction. Moved quite well but needs to settle and learn his trade.

Junior Dog (8,2) 1. CUTTS Kilndandy Casanova at Marzelina. Attractive youngster with pleasing lines, well constructed throughout. Masculine but moderate male with a typical head, pleasing expression & good colour liver spotting.

Beautifully balanced and correctly angulated with a lovely topline held well on the move & a good underline. Well bodied with plenty of heart and lung room & a depth of brisket, good legs & feet with strong pasterns & rounded bone. Looked a picture standing and did not disappoint on the move, once he gained his composure he demonstrated free and easy movement, with accurate tracking and a ground covering stride. Res CC. 2. ALEXANDER'S Offordale Chevalier Black.

A real showman with a classic masculine head & good B/W spotting, dense pigmentation. Has a reach of neck into well defined clean wither with a flowing topline & tailset, matched with a good underline with a depth of body and spring of rib, although slightly longer cast. Not quite as true up and down as 1 but used his well made strong hindquarters to effect in profile giving him plenty of drive. Has plenty of presence & presented as always from this kennel in good order, with good bone & muscle tone. 3. BAKER'S Dalleaf Devils Disciple

Post Graduate Dog (8,3) 1. WILLIAMS Phadante Brighton Rock. Well made liver, good for type. Essentially masculine with a pleasing head, good neck, shoulders & front, balanced with well angulated hind quarters standing on good legs and feet. Nice in outline, with a clean well defined wither and strong level topline, a good depth and length of body with a spring of rib and correct underline. Scored in this class with his sound free movement exhibiting plenty of power on the move & correct tracking, in good form. 2. MOATE'S Major Sheer Will At Sundown. Attractively spotted B/W male with an appealing head and expression and a good reach of neck. Good legs & feet with nice bone. Limit Dog (8,1) 1. GARTON'S Quiet Riot. Essentially masculine L/W with very attractive typical head with good skull proportions, expression & pigmentation. Close decision with 2, but scored in forehead angulation. Body well balanced with very sound forehead construction, has a good lay back of shoulder & sternum. Correct firm topline with an equally good underline. Well boned & bodied with a depth of brisket and spring of rib. Nicely covered with lovely substance and well developed second thigh. Sound mover & impressed in profile movement in this class. 2. ROSE'S Candidals Run Forest Run. Eye-catching male of pleasing moderate size and proportions with clean lines, well marked with attractive liver spotting. A pleasing head & expression, with good reach of neck into an excellent topline, with defined wither, croup and good tailset. Stylish outline with very well balanced quarters. Open Bitch (9,3) 1. NEATH-DUGGAN'S Ch Buffrey Sprig O Mint JW. This B/W bitch has such sheer charisma & just seems to improve with age, she was on top form today and could not be denied the CC, although run close by the Junior she had the maturity and pulled out all the stops on the move.
