# Judges Critique

I would like to thank the officers and committee for inviting me to judge this friendly well run show, the exhibitors for the sporting way they accepted my decisions and my very efficient steward Alan Cuthbertson.

## Veteran Dog (2 ,1)

1. McCarthy's Ch Ir Ch Tollwood Lionel at Kilindandy " I/w with pleasing head and expression, strong body of good depth, good bone, tight feet, in lovely condition, was rather lethargic on the move today.

## Minor Puppy Dog (4)

1. Talbot & Adams's Winflash Jumpin Jack Flash - promising youngster with a lovely head and eye, well pigmented, strong neck set into good shoulders, nicely proportioned with good bone and standing on tight feet, lovely topline and good tailset, in lovely condition, just needs time to mature, moved with good reach and drive. Best Puppy Dog and Best Puppy in Show.

2. Gamble's Cannabee Comander at Mullabouy - nice type with a pleasing head and expression, good bone and body and standing on tight feet, not moving as steady behind as winner and needs time to mature.

3. O'Donnell's Cannabee Crusader

## Puppy Dog (2)

1. Gamble's Cannabee Comander at Mullabouy

2. O'Donnell's Cannabee Crusader " bigger dog that is carrying a tad too much weight as he was rolling on the move, he has a pleasing head and nice expression, with good body and depth of rib, tight feet and good tail set, another one that needs a few more training classes before he gets it right.

## Junior Dog (2)

1. O'Donnell's Cannabee Crusader

2. Welch's Culdals Snowy Lad " this youngster was very spooked today and took alot of persuading to let me touch him but we got there in the end, he needs ring craft training to get him over this, he has a pleasing head and expression with a good body and nice shape and stands on tight feet.

## Special Yearling Dog (1)

1. Lamb's Kalsidoni Dexter by Dalpetro - quality dog who is well balanced, lovely head and expression and good use of ears, rounded ribcage and depth, strong loin, well angulated fore and aft, thick tight feet, moved effortlessly.

## Maiden Dog (2)

1. Talbot & Adams's Winflash Jumpin Jack Flash

2. McCaughan's King of the Circuit at Mullabouy " bigger type, good bone, pleasing head, tight feet, good muscle tone, kept pacing as he was not going at a fast enough pace, maybe the owner needs to think about flatter shoes to get more out of her dog.

2. McCarthy's Kilindandy Old Copper " I/w upstanding male with pleasing head and eye but preferred the expression on winner, well balanced throughout, good depth of rib, stands on thick tight feet, moved freely. Res C.C.

3. Gamble's Ir Ch Mullabouy Sir Winston

#### Veteran Bitch (3,2)

1. Caldwellâ€™s Ir Ch Kasara Coffe Crunch â€œ in absolutely tip-top condition for age and although not going at a fast pace was obviously enjoying her time in the ring and she is in superb condition for her age, she is very pretty and has a good body and was well angulated, sound on the move. #### Minor Puppy Bitch (3)

1. Pageâ€™s Winflash Born To Be Wild - lovely puppy, nothing exaggerated, clean lines and well proportioned, very feminine, lovely head and expression, good reach of neck, with good depth and spring of rib, firm topline, tight feet, still has some developing to do, in lovely condition and moved well. Best Puppy Bitch and Reserve BPIS.

#### Junior Handling (1)

1. McCaughanâ€™s King of the Circuit at Mullabouy â€œ was very good at following instructions, just needs to pay more attention to her dog when standing for assessment, moved exactly as instructed but would be better keeping the lead in the left hand rather than both hands, overall a good performance.
