Judges Critique

Dogs

I really enjoyed my appointment and thank the committee and exhibitors for a warm welcome, good entry and a great lunch.

Temperament is so important in our breed, we are known for our extrovert, happy dogs and they all were at this show. A couple were overawed by the occasion but they are young and will come right.

A few points to watch, please don't let high tails creep in, however good looking a puppy is at 8 weeks the outline in the adult is spoilt by the flagpole tail. Our standard is very specific on this point. There were one or two light eyes in livers, and lastly two with incorrect bites.

Overall we have some good youngsters coming on to challenge the established champions. I just wish there was a permanent cure for the dreaded 'dally rash'.

Minor Puppy Dog (2,1)

1. Newton and Newton's Brien Chizzmic Chase Me, sure we will see this lovely puppy doing really well in his career, so laid back, taking it all in his stride. Attractive head good clean neck and shoulders. Round strong bone with excellent feet. Liver of correct colour, moved with purpose for a baby.

Puppy Dog (5,1)

1. Whincup's Tamilanda Panther Lily, what a cracking young black and white, at 10 months looking ready for top honours, a good type, well shaped head and dark eye, clean arched neck into good shoulders and upper arm, firm level topline, tailset excellent, well defined hocks with good bend of stifle, cat feet, strong round bone, spotting of good size. Easy rhythmic long stride. Very sound happy boy, the future looks good.

2. Morgans Gwynmor Finch Hatton, such a well made 10 month old black and white puppy, good head and dark eye, clean neck, with good shoulders and front, strong hindquarters, has it all but today was not easy to go over as he was so excited, when he moved all was forgiven, very powerful long stride and in time he will be a force to be reckoned with.

3. Newton and Newton's Brien Chizzmic Chase Me

Junior Dog (7,3)

1. Whincup and Sibson's Tamilanda vintage Pink JW good colour liver and white very sound, fits the standard well. Handler moved him at just the right speed to show off his movement which was long reachy and powerful, another to watch out for in the future.

2. Blissett's Shydally's King Arthur, black and white in beautiful condition, unlucky to meet winner, whose head I preferred, he is well constructed throughout, moved with a good long stride, well muscled front and rear.

3. Rose and Cattermole's Cader Idris Celt at Kalvadene

Yearling Dog (6,2)

1. Harrison-Stratford's Dalkereve Dark Dragon, showy liver and white in hard condition, he has a good head and eye colour, long clean neck and excellent front and rear, giving him a powerful movement, loved his rich liver spotting another to watch and challenge the best.

2. Todhunter and Robinson Millbelle Young Gun JW a good type liver with all the above attributes. He moved and showed well, sadly he was suffering from the dreaded 'dally rash'. Hope it clears up soon.

3. Clelands Candidals King of the World by Deovolante

Novice Dog (4,1)

1. Whincup's Tamilanda Panther Lily

2. Fox's Dalliviro Lightyear, another with a bit of dally rash, for me a little too large, work needed to harden him up and give him more muscle tone

3. Sampson and Petronio Stocklore Wizard of the Forrest

Special Yearling Dog (4,2)

1. Harrison Stratford's Dalkereve Dark Dragon JW

2. David-Saunders Dallydyl the Wizard, powerful black and white with darkest of pigment, liked his head and eye colour, good reach of neck, well ribbed back, deep brisket, strong hindquarters, showed himself well.

Post Graduate (8,1)

1. Baker's Dalleaf Devils Disciple JW, good type liver, correct head shape, clean neck of good length, topline firm, carries his tail well, good round bone on good feet, very sound dog who moves out well, rich colour liver spotting on sparkling white coat, handled well, another pushing the best.

2. De Rozario's Dalleaf Dâ Accord Avec Jemblewood, loved this sparkling lad he has all the good points of his litter brother above but just could not forgive his high tail. That said dogs do not move on their tails, and he really powered round the ring, to have 3 litter brothers all of good type and winning in good company is a credit to their breeder and line.

3rd Bolt's Fakenham Ferrera Rocher

Mid Limit Dog (2)

1. Alcock's Creaganbrec Face of Beau at Dalspartan liver, strong, happy lad moving out well, good spring of rib, strong arched neck and good topline, would prefer a little more width through stifle, sound dog.

2. Roach's Holderness Henman Hill Tall black and white, deep pigmentation, good eye colour, nice length of neck, movement sound, but at times erratic

Limit Dog (7,2)

1. Webb and Chrystals Dalleaf Devil in Disguise at Jemblewood, a very masculine but elegant dog in beautiful condition, he is very well put together, good length of neck and level topline, good tailset and carriage. Plenty of heart and lung room, round bone and good feet, moved out well, nice decoration

2. Munro's Tanstar Sea the Stars, larger dog than above, blackest of black pigmentation, preferred head of winner,

topline firm and level, another carrying his tail high, movement was a little erratic, and could have moved better behind.

3rd Johnson's Tynevale The Tease JW

Open Dog (12)

1. Hartley and Griffiths Ch Creaganbrec The Favourite of Miragua JW, this boy is such a well put together classic Dalmatian, stunning head shape, dark eye, kept his topline, good strong bone, and tight cat feet, extending when moving with purpose and drive, has good shoulders, excellent hindquarters and bend of stifle. In hard condition, clear deep spotting on tight white coat. Always wanted to go over this champion and he did not disappoint RCC
2. Dunnachie Est/LV/Rus/Fin/Au Ch Alphadirato Future Brand, this well travelled dog has outstanding extension on the move, a good head shape with dark eye, clean long neck, firm level topline and tail carriage is correct, my decision was made on type, mine has always been slightly old fashioned I suppose, I preferred the feet and pasterns of winner and size. A remarkable temperament in this dog and expertly handled as usual by this exhibitor.

3. Hoie and Lehmann's Spotniks First Farao for Ormond

Special Memorial Open Dog (4)

1. Alexander's Ch Offordale Chevalier, the ring presence of this young man is awesome, he never lets up, that said he must have everything else and he has a correct head and dark eye giving a wonderful expression, long tapered arched neck into great shoulders and front giving him the ability to extend on the move, powerful hindquarters, elbows tight, topline level, perfect tail set and carriage, all finished off with clean even spotting on an immaculate coat. CC BOB BIS

2. Stocks Ch Dalmark the Shaded Moon at Nospar JW Well made liver of good type, had a good head and eye colour, kept his topline on the move, love his round strong bone and feet, excellent rich even liver spotting. He is always beautifully turned out, felt he was not extending today, perhaps he prefers the outside, shown in really hard condition.

3. Garton's Dalendale Quiet Riot

Special Junior Veteran Dog (3)

1. Kembrey's Dalmark the Snowstorm JW stunning black deep pigmentation, lovely dark eye with good head and clean long neck. Plenty of heart and lung room in this fit hard conditioned veteran
2. Todhunter and Robinson's Takesti Moon Dancer, a very sound dog that moved well all dogs in this class were so well muscled and sound. It is hard to believe their age, he kept his topline well and was really enjoying his day out
3. Bolt's Ch Fakenham Flash Gordon

Special Senior Veteran Dog (1)

1. Bolt's Buffrey Belleissimo at Fakenham, what a great dog full of himself and not forgotten how to do the job, he has a lovely shaped head and the darkest of eyes, for his age he is remarkable in his strength of movement, this owner keeps his dogs the fittest in the ring, a great credit to the breed

Judge

Bitches

Many thanks to exhibitors and committee for making my day so special. I thoroughly enjoyed my judging and met some lovely dogs. Since I last judged there has been a marked improvement in hind movement, however, I was disappointed to see quite a few with little front angulation. Consequently, there was no front extension causing the dogs to "paddle". Also there were some bad tail sets and gay tails. Not only does this spoil the outline, it affects balance. On the plus side, temperaments were excellent and I had quite a few kisses!

Minor Puppy Bitch(4)

1. Haywood & Ridgway's Luccombe Strawberry Dream 7 month b/w beautifully marked with, good dark eye, lovely expression, good reach of neck into well laid shoulders. Deep brisket, well muscled hind quarters which she used well on the move, correct tail set with a lovely waggy tail. Sympathetically handled by this experienced exhibitor.

2. Hernandez's Dalminshi Mystic Star At nearly 7 months this b/w bitch had the most wonderful outgoing temperament, she definitely won "Miss Personality". Deep black spotting, dark eye, well boned, good feet, well set tail. Moved OK but not as steady as 1.

3. Croft's Doubtwell Ebony Night

Puppy Bitch(9, 3)

1. Moore's Fincham Dottie Lottie Eyecatching 10 month liver bitch, very feminine, lovely make and shape, gentle expression, good front and hind angulation, good topline with correct tail set. Moved round the ring with drive and pulled out all the stops to win Best Puppy Bitch.
