# Judges Critique

A warm welcome awaited with the promise of more settled weather. Dalmatians were allocated a large, well prepared ring, for which I was grateful, as I was able to assess movement easily. Thanks to my two experienced Stewards Brenda and Malcolm Smith especially Brenda whose valiant efforts to keep paperwork dry during the rainfall towards the end of Limit Bitch Class gave the Ringsiders a chuckle. Also a big thank you to exhibitors for bringing your lovely dogs.

All were turned out and presented in good clean condition and temperaments in the ring were exemplary.

My overall impression was that there are some sound youngsters coming through and this can only bode well for the breed. Worryingly, there are a number of light eyes and short tails, set and carried high which does detract from the overall impression. Quality in the bitches shone through; unfortunately this meant some went home cardless.&nbsp;

## Minor Puppy Dog (2,1a)

1st Stokesâ€™s Elaridge Quincie. Very promising quality liver puppy of eight months in excellent condition. Good colour liver with complete pigment. Lovely head and expression, reachy neck into well laid shoulders. Strong round bone, tight feet, good body shape and level back. Well muscled hind quarters, tail set and carried correctly. Movement sound once settled.

## Puppy Dog (3)

1st Carvellâ€™s Timmy Willie with Lilal. Upstanding black. Well presented in tiptop condition. Even spotting on sparkling white. Well developed head with good pigment and dentition, nicely arched neck into well developed front. Strong bone and good feet. Well developed brisket, good length of back, strong loin and well muscled hind quarters. Good tail set. Once settled displayed strong steady movement for a youngster and this won him Best Puppy Dog and later Best Puppy in Breed.&nbsp;

2nd Elyâ€™s Wintermine Commando. Eleven month old black spotted puppy. Well developed with strong bone. Well proportioned head with dark eyes and good dentition. Arched neck into good front assembly. Level topline held on the move. Well developed hind quarters.

3rd Parkin-Russellâ€™s Spaclere Flash Gordon.&nbsp;

## Junior Dog. (8,1a)

1st Richardsonâ€™s Mapplewell it Takes Two JW. Soundly constructed and ideally sized young black spotted male. Balanced, with good angulations. Well developed head, good ear carriage, correct dentition, kind expression. Good front, well off for bone, good feet with well rounded pads, clearly defined withers, good spring of rib and well rounded croup, well developed second thigh and strong hocks. Correct tail set carried well. Effortless movement with decent length of stride with good reach and drive. Lost out in the challenge due to coat condition.

2nd Cauldwellâ€™s Gwencarodale Popâ€™s Pride. Another black spotted dog of good make and shape. Balanced with good angulations. Pleased in head with good ear carriage and dark eyes. Good front, plenty of substance, well muscled with good tone and well developed rear quarters. Tail carriage too high today.&nbsp;

3rd Hammettâ€™s Bryedal Mayan.

## Post Graduate Dog. (9,3a)&nbsp;

1st Saunderâ€™s Imaginary Friend. Liver male of excellent quality. Powerfully built with plenty of substance. Well developed head with good pigment. Sound in front although carrying too much weight over shoulders. Deep chest with well sprung ribs, tidy elbows, strong over loin with well developed muscles over hind quarters. Covered the ground with ease.&nbsp;

2nd Boltâ€™s Buffrey Belleissimo at Fakenham. Young black male. Well presented in excellent condition. Plenty of substance. Good head proportions, good front assembly and well developed in chest with nicely sprung ribs and good

depth of brisket. Still needs time to mature.  
3rd Hartley and Griffithsâ€™™ Miragua the Explorer.&nbsp;

Limit Dog. (12,4a)

1st Petersonâ€™™s Buffrey Beau Bell at Daedalus. Upstanding and eyecatching black spotted male of sound construction and shown in hard condition. Well developed head, good dentition, correct front with well placed shoulders and rounded bone to good feet with firm rounded pads. Nicely arched neck, clearly defined withers, well sprung ribs and deep chest. Level back and strong over loin. Well developed second thigh and strong hocks. Moved with ease and drive.

2nd Fabianâ€™™s Tumbriel Texas Tribute. Another powerfully built black spotted male. Presented in hard condition. Well developed head, good front and shoulders. Well muscled rear quarters.

3rd Brookesâ€™™ Hispot Hicommand.

Open Dog. (9,3a)

1st Stevensonâ€™™s Ch. Gemmont Marauding Mutineer at Macula JW. A worthy champion, well presented in hard condition. A powerful dog of good proportions, well balanced with plenty of substance and good angulations. Deep chest with well sprung ribs. Strong, well muscled hind quarters. Good muscle tone throughout. Moved effortlessly around the large ring. Pleased to award him CC and BOB. Shortlisted down to six in the Group.

2nd McCarthyâ€™™s Ch. Tollwood Lionel at Kilndandy JW A super liver dog Iâ€™™ve always admired. Standing, for me, he epitomises our breed standard. He just needs to show himself with more enthusiasm. Shown and presented in immaculate condition. Reserve CC.

3rd Johnstonâ€™™s Ch Leaveslake Limerick at Clonheath.

-----

Minor Puppy Bitch. (3,1a)

Two excellent puppies.

1st Haywood & Ridgewayâ€™™s Luccombe Strawberry Tart. Delightful puppy of seven months. Deeply pigmented black with bold spotting. Lovely head with darkest of eyes and using her ears well to give sweet expression. Nice make and shape standing square. Moved confidently with purpose. Best Puppy Bitch.&nbsp;

2nd Stokesâ€™™ Elaridge Sherry Pepper. Eight months liver bitch of top quality. Not the confidence of one but of balanced proportions and in excellent condition. Well pigmented liver of the correct colour. Strong bone and well covered body. Moved steadily.

Puppy Bitch. (3,2a)&nbsp;

1st Wardâ€™™s Frankish Zenith. Stockily built bitch with deepest black spotting. Plenty of substance. Nice head and expression. Dark eyes and well carried ears. Nicely developed body and sound hind quarters.

Junior Bitch. (10,5a)

1st Doreâ€™™s Dalkereve Dazzling Diamond. Eyecatching black confidently handled to show her attributes. Feminine head with kind expression, dark eyes and good ear carriage. Tapering neck into well laid shoulders. Correct front assembly. Tight feet with well rounded firm pads. Clearly defined wither, level topline and well rounded croup. Good tail set and carriage. Settled on the move, holding her topline well.&nbsp;

2nd Muttonâ€™™s Plymcrest Puzzle. Different make and shape to first. Well proportioned with substance and good angulations. Pleasing, feminine head with kind expression, reachy neck into good shoulders. Expertly handled and presented in excellent condition.&nbsp;

3rd Pageâ€™™s Winflash Spring Fury.

Post Graduate Bitch. (13,2a)

1st Scott-Allen & Davisâ€™™ Olbero Olympic Rose JW. A well presented black spotted bitch with plenty of substance. Loved her overall make and shape. Feminine head of good proportions with

lovely dark eye. Nicely tapering neck and well placed shoulders. Well sprung rib and good body shape. Tidy at elbow. Level topline and rounded croup. Well muscled hind quarters with good width of thigh and well turned stifle. Moved effortlessly with plenty of reach and drive.

2nd Lambâ€™s Leaveslake Lily at Dalpetro JW. Another quality bitch with plenty of attributes to admire. Liver of correct colour with full pigment and dark eye. Plenty of substance but still feminine. Balanced with good angulations. Well developed body with well sprung ribs and developed brisket. Hard muscled over hind quarters and well developed second thigh enabling her to move with purpose and drive. A difficult decision to split these two quality bitches.

3rd Northâ€™s Abbi-Belle at Moorcross.

Limit Bitch. (9,2a)

1st Black's Boval Britannia. Top quality bitch shown and handled in perfect condition. Ideally sized. Correct liver colour with full pigment and dark eyes. Plenty of substance yet still feminine. Head of good proportions, well laid shoulders and tight cat feet with firm rounded pads. Elbows neatly placed. Well sprung rib showing plenty of depth of brisket and heartroom. Level back, firm over loin and nicely rounded croup. Strong hind quarters with well developed second thigh. Covered the ground with ease. Thrilled to award her her first CC.

2nd Pageâ€™s Winter Magic JW. Another quality bitch of ideal size. Has a lovely clean outline. Is feminine yet with plenty of substance. Well muscled body with good angulations. Head of good proportions, lovely length of neck. Level topline with strength over loin. Very exuberant on the move.

3rd Willisâ€™ Cibrith Hazel Nut.

Open Bitch. (6,1a)

1st Lewisâ€™ Ch Hunterswood Tittle Tattle JW. Boldly spotted black of excellent make and shape. A perfectly balanced bitch of substance and quality. Well muscled body with good angulations. Moved with drive and purpose. Reserve CC.

2nd Kayâ€™s Kaytian Katâ€™s Broomstick JW. Liver bitch of good proportions. Clean lines showing femininity but strength. Moved with ease.

3rd Christiesâ€™ Ch Haiths Hallmarked by Sophtspot.
