# Judges Critique

Thank you to all those exhibitors who chose to enter their pride and joy under me. It was a very cold and wet Scottish Kennel club and the officers and committee I thank for working so hard under difficult conditions to make the show work so well. I was looking for an elegant well muscled marathon runner that would be able to keep up with a carriage for upwards of 30 miles a day.

Puppy dog(3,1) Whincupsâ€™™ Tamilanda Panther Lilly at 7months very much a baby. Black spotted. Pleasing head, dark eye, and complete pigmentation. Straight forelegs with round bone to compact feet. Clear well defined spotting. BP dog

2. Cuthbertsonsâ€™™ Kalsidoni Cameo black spotted. Eyes bright and clear with intelligent expression. Enough bone to grow on, round and strong, good depth of chest, well sprung ribs.

3 Prichardsâ€™™ Caldecacre Sharknozemo.

Junior Dog (5,2)1. Whincup & Sibsonsâ€™™ Tamilanda Vintage Pink Liver spotted. Plain head, good hazel eye. Neck long and nicely arched into shoulders. Strong, muscular loin. Hindquarters nicely muscled, clean and well rounded.

2. Lambsâ€™™ Dalpetro Decaprio Dark rich liver spotting. Flat skull, broad between ears and set well. Good depth of chest, ribs extending well back with good spring. Preferred the ring presence of 1.

3 Prichardsâ€™™ Caldecacre Sharknozemo.

Yearling Dog (7,1)1. Harrison-Stratfordsâ€™™ Dalkereve Dark Dragon JW. Good dark liver, complete pigmentation, clear well defined spotting. Depth of chest, capacious with plenty of heart and lung room. Level top line held on the move.

2. Caseysâ€™™ Moyglass Professor Plum ShCm Black spotted. Much to like about him and could easily change places on another day. Heavier in build than 1, excellent cat-like feet. Long reaching stride.

3. David & Saundersâ€™™ Dallydyl the Wizard.

Post Graduate Dog (5,1) 1. Markeysâ€™™ Heaven sent Phreeman Calix with Dalissm. Black spotted of elegant substance. Flat skull, broad between ears, good length of muzzle. Nicely arched neck into shoulders. Forelegs straight with strong round bone. Enough length in loin, strong and clean. Moved with drive.

2. Whitingsâ€™™ Cibrih Captain Kirk JW ScCM very striking dog. Pure white jacket with large deep black spotting. Deep chest, strong round bone, tight well knuckled cat-like feet. Preferred the loin of 1.

3. Carruthers Shulune Ice and Fire over Briarmist.

Limit dog (9,2)1. Polhillsâ€™™ Fincham Hurricane Jack at Kymvale JW rich liver spotting, strong and muscular, well balanced and symmetrical. Lovely head, bright, dark hazel eye giving intelligent expression . Completing the picture, ears held close to the head framing his face. Shoulders, well laid back, clean and muscular. Forelegs, straight strong round bone to well knuckled cat feet. Powerful level back with clean strong loin held on the move. Hindquarters with long smooth muscles, that of a marathon runner which he used to effortlessly glide around the ring. CC & BOB. Pleased to see him in the group ring showing power with elegance.

2. Munrosâ€™™ Tanstar Sea the Stars Black spotted dog I have admired before. Pleasing head and expression, dark eyes. Good length of neck nicely arched. Shoulders well laid back, round compact feet with well arched toes. Powerful, reaching stride, not with his normal handler. RCC

Open Dog (7,2) 1. Hartley & Griffithsâ€™™ Ch Creaganbrec the Favourite at Miragua JW Striking dog black dog who never stopped showing. Pleasing head and expression, dark, bright eyes, good scissor bite. Good depth of chest, with plenty of heart and lung room. Well sprung ribs. Moving freely. At one with his handler.

2. McCarthysâ€™™ Kilndandy Old Copper, liver spotted boy of substance. Neck, nicely arched into shoulders good straight round bone, compact well arched feet. Well muscled through-out.

3 Christiesâ€™™ Ch Sophtspot Abracadabra JW

Puppy Bitch (8,2) Pagesâ€™™ Winflash Elleâ€™™s Bellâ€™™s, pure white coat with coal black spots. The Sweetest head, gentle intelligent dark eyes. Reach of neck arching into shoulders, light and tapering. Forelegs straight with round strong bone, slight spring at pastern to compact well arched feet. Level topline held on the move. Nicely rounded hindquarters and enough turn of stifle. Confidently handled and moved with smooth reaching action, very well for one so young. BP Watch this space she will go far.

2 Martlandsâ€™™ Kalokaries Lady Eleanor at Deefadal Pretty, liver spotted girl. I preferred the bone of 1 Nice depth of chest capacious with plenty of heart and lung room. Level top line with good tail set carried as continuation of spine. Compact cat-like feet.

3. Polhillsâ€™™ Kymvale Dominica

Junior Bitch (4,1)1. Lambsâ€™™ Dalpetro Diva Black spotted. Feminine Intelligent expression from dark eyes. Ears framing face to complete the picture. Well sprung ribs, strong loin. Good hindquarters with smooth and long muscles.

2. Pearsonsâ€™™ Cannabee Coal Black. Clear decoration on a pure white jacket. Happy out going, personality. Not the angulation of 1. Carrying a little weight today.

3. Sophtspot Cha Cha Cha.

Yearling Bitch (1) 1.Saunders Dallydyl Lady of Shalott. Liver spotted girl pleasing head. Flat skull, equal length of muzzle. Ears not used to advantage. Good forechest, well fitting elbows, straight round boned legs, compact feet to finish. Well ribbed back, strong loin well muscled. Good rear angulation, with long pliant muscles. Great length of stride covering the ground.

Post Graduate Bitch (6)

1. Fortsâ€™™ Shulune Fantasy Snapdragon Liver spotted girl. Feminine head and pleasing expression with kind gentle eyes. Ears well marked and used to advantage. Beautiful length of neck, nicely arched into shoulders. Level topline held on the move. Carrying her tail correctly with a good length of stride. 2. Whitingsâ€™™ Cibrih China Aster liver girl willing to please, happy out going and friendly. Slightly shorter in loin than 1, so did not cover the ground as well. Never

stopped wagging her tail.

3. Peers Dalliviro Limited Edition.

Limit Bitch (7,3) This was the hardest class, most dogs could change places.

1. Smallwoodsâ€™™ Lascelles Lady Marmalade Liver girl. Pleasing head and expression, dark hazel eyes. Correct ear placement and used to advantage. Moved freely around the ring.

2. Wrightsâ€™™ Boutoneux Artemis of Millbelle JW ShCm Liver spotted. Heavier in bone than 1. Straight forelegs to tight compact, well arched feet. Good depth of chest. Topline held on the move.

3. Cobb-McGillsâ€™™ Kalokairies Eye Candy

Open Bitch (8,2) 1. Quaylesâ€™™ Ch Cubalibre Spot on JW Very striking black spotted bitch. Her positive, balanced movement around the ring. She is a good size and substance, and has an excellent lay of shoulder, and equalled by rear angulations, strong topline, well-arched loin leading to correctly carried tail. She has the kindest expression, dark eyes, lovely reachy neck. Pleased to hand her the bitch cc

2. Smallwoodsâ€™™ Ch Mapplewell Dancing Queen. Liver girl. She could easily change places with 1. Short dense coat, good shoulder placement. Plenty of rib, carried well back, strong loin. Lovely bend of stifle with long pliant muscles moved with long reaching stride. A shame she did not show this in the challenge for the rcc.

3. Neath-Duggansâ€™™ Ch Buffrey Gift Wrapped JW ShCm.

Veteran Bitch (2,1) 1. Neath-Duggansâ€™™ Ch Buffrey Sprig O Mint JW Black spotted girl. To say she was in veteran she did not show her years. She could easily give some of the younger dogs a run for their money. Presented in excellent condition both in coat and muscle tone. She used her strong pliant muscles, to power around the ring. Pushed hard for the RCC.
