Judges Critique

Movement is not improving &, to be honest, it has been poor for a few years. Breeders need to start to do something about it. Heads have improved which was good. In some exhibits presentation was poor. In general, bitches were better than the dogs.

PD(3) 1 Hobbs&Whiting's Boutonneux Baby Buco avec Rapanooey, quite nicely spotted black dog, good make & shape, dark eye, good feet, movement was OK, well handled. Should have a bright future. BP; 2 Vockings & Smethurst's Fortunes Green Day, liver spotted nice puppy, good head, topline & in general very nice. Movement was not as good as 1 here, but lots to like; 3 Wheaton's Dalmanti Phantom Medal. JD (6) 1 Dunnachie's Dvojic Vendetta, well made black dog, dark eye, level topline, good bone, movement was OK, well handled & presented. Future looks good. RCC; 2 Clarke's Klarkeson One Vision, black dog, dark eyes, topline & tailset were OK. Not quite as good as 1 in front. Movement was OK; 3 Dodds & Pearson's Keleuka What The Dickesn.

YD (2) 1 Whincup's Tamilanda Panther Lilly, nicely spotted back, nice dark eye, topline & rear all in good order, movement was OK, well presented. Won this class with ease; 2 Christie's Jilloc's Breaking The Waves at Sophtspot, black dog VHC in JD, overall not a bad dog. Presentation could have been better. PGD (3)

1 Lamb's Dalpetro De Caprio, quite a nice liver spotted dog, good reach of neck, level topline, good rear, showed well. Movement could be better. LD (2) 1 Barrett & Fort's Shulune Ice Phantom of Dalmanti, looked well standing, nice front & rear, level topline, showed well. Movement could have been better; 2 Munro's Tanstar Sea The Stars, not a bad dog, head & tailset were OK. Once again movement could have been better. OD (5) 1 Alexander's Ch Offerdale Chevalier, very nice black spotted dog, head, eye colour, reach of neck, topline, front & rear were all in good order, movement was OK. Lots to like about him, best in the class. CC; 2 Page's Winflash Harvey Wallbanger, black spotted, overall not a bad dog. Spotting could be enhanced. Movement was OK. Just lacked something; 3. Dodds-Pearson's Kelevra Hudson Hawk. VD (2)

1 Bliss'Ch Riverdore Rags To Riches, 10 years, in excellent condition, nice head & eye colour, movement was OK, well handled & presented.

PB (8) 1 Pickup's Roadcoach Reine Des Roses, very nice black spotted puppy, nice size, pretty head, dark eye, front, topline and rear all OK, moved well, well presented. Should do well in future;
2 Bliss & Junker's Camargue Queens English, nice puppy, pretty head, topline, front & rear all OK. Needs to settle & make more of herself. Two promising puppies;
3 Dinsdale's Dalebred Going For Gold.
JB

(5) 1 Dunnachie's Dvojica Volition, pretty head, nice make & shape, movement was OK. Overall a very nice bitch, should have a bright future; 3 Hernandez's Dalminshi Mystic Star. YB (4) 1 Page's Winflash Elles Belles, lovely black spotted bitch, pretty head, dark eye, topline & overall make & shape were excellent, movement was good, showed really well & handled perfectly, very stylish. CC & BOB; 2 Emmett Simons' Dalliviro Reba Mac at Ellemstra, nice black spotted bitch, lots to like about her. A little plain in head, but very nice; 3 Hernandez's Dalminshi Mystic Star.

PGB (4) 1 Stock's Kalokairies Lady Bollinger at Nospar, very elegant black spotted bitch, pretty head, nice make & shape, movement was OK, everything in order. Lots to like. RCC; 2 Lamb's Dalpetro Diva, very nice, nice head, good reach of neck. Movement could have been a little bit better. Nevertheless, lots to like about her; 3 Baker's Klarkeson Royal Mint.

LB (6) 1 Page's Winflash Born To Be Wild, pretty bitch, nice head, good front, level topline, movement was OK. Very nice;
2 Barrett's Marricdale The Gold Digger of Dalmanti, nice liver, good head, nice front, right in all departments. Movement not quite as good as 1; 3 Dore's Daldior Ace Of Diamonds.
