Judges Critique

I would like to thank all exhibitors for their entries which included many outstanding examples of our breed. Thank you to the Show Management for the excellent size of ring and shade facilities with the benching behind the ring and many thanks to my ring steward Paul Hipkiss.

PD (2) 1 Morganâ€™s Gwynmor Gallagher Quite mature for nine months, strong head and good lines, well schooled moved with easy free flowing action 2 Bryantâ€™s Theakston Time Traveller Smaller than first with impressive decoration and conformation, still very much a baby.

JD (10) 1 Gartonâ€™s Jabbawock The Golden Snitch RDCC soundly made moderate liver with balanced proportions, fine head with gentle expression and good ear carriage, excellent tapered neck to good forequarter, good rib and loin, turn of stifle, width of thigh and well let down hocks. Moved absolutely true with strong driving movement RDCC 2 Clarke Klarkeson One Vision impressive head and expression with strong bone, good tailset and sound movement.

YD (4) 1 Wincupâ€™s Tamilanda Panther Lilly JW A lovely dog who presents a beautiful outline, good conformation, deep chest with correct spring of rib, beautifully decorated, powerful rear quarters, like him a lot but not moving at his best today 2 Thorneâ€™s Dalcove Revolution less mature than first, good ring presence but could have been shown a bit more to his advantage.

PGD (9, 1) 1 Boltâ€™s Fakenham Ferrera Rocher DCC Strong balanced dog absolutely fit for purpose with powerful action on the move, presented in good hard condition, alert expression, elegant neck to withers, good deep chest to strong loins & correct tailset. Strong front and good spring of pastern to neat cat feet, could not deny him the CC 2 Edenâ€™s Dalens Hot Gossip, balanced overall construction, good expression, good angulation and tail carriage well, moved easily round the ring.

LD (7,1) 1 Bakerâ€™s Dalleaf Devils Disciple JW another well balanced dog of substance, pleasing masculine head, arched neck into well defined withers with strong front to spring of pastern, level topline to croup and tailset, well angulated hind quarters, sound movement, seriously considered for the challenge 2 De Rozarioâ€™s Dalleaf Dâ€™Accord Ave Jemblewood Bright and alert well presented dog, deep chest with good spring of rib, strong loin, a little straight in the stifle, moved well.

OD (8,5) 1 Hartley & Griffithâ€™s Ch Creaganbrec The Favourite At Miragua JW Classic head and dark eye with pleasing expression, well muscled with deep chest and depth of brisket, good topline and tailset, clean well developed hindquarters which gave powerful driving movement. 2 Croftâ€™s Doubtwell Show Stopper JW A dog I have always liked, true to standard with attractive decoration and expression, always uses his ears well to frame his face, positive and powerful in appearance without coarseness, moves with drive from rear in a steady smooth action.

VD (1,1)

PB (5) 1Moateâ€™s Leahart Honolulu Honey At Sundowndal BP a beautiful puppy with long elegant neck, good lay of shoulder good front with upright pastern and neat cat feet, superb rear angulation and well developed second thigh, good bend of stifle with upright well defined hocks, moved well, definitely one to watch BP 2 Cousinâ€™s Kalokairieâ€™s Lady Godiva pretty liver bitch with deep pigment, less mature than first, moved well but needs to stretch more on the stand, pleasing overall picture.

JB (5) 1 Suggettâ€™s Dalesbred Geebee Gold for Kintegus well presented liver, nice reach of neck with good topline and tailset, deep chest tucking up well at tenth rib, nicely developed rear angulation and second thigh, handled well. 2 Morganâ€™s Winflash Olympic Star different type to one, good conformation, correct front and rear angulation, covered the ground well on the move.

YB (7) 1 Suggettâ€™s Dalesbred Geebee Gold for Kintegus 2 Wincupâ€™s Talamanda Blue Waterlily lovely white face and gentle expression, straight front, good shoulder assembly and level topline, correct depth of chest with good rear angulation and lively personality.

PGB (9) 1Thornerâ€™s Tolutim Evensong Excellent profile and movement, dense black spotting on clear white coat, well off for bone, strong front with straight pasterns, good depth of brisket, shame she was not more animated in the final lineup. 2Townsonâ€™s Shacarlu Bumblebee At Daymadals gives good impression from the front, nice ear carriage framing the face correctly, well muscled without coarseness, good reaching movement.

LB (5,1) 1 Thorneâ€™s Cibrith Cosmos at Castletop Elegant liver, long reach of neck to good lay of shoulder and level topline, well rounded croup and correct tailset, moved well. 2 Wrightâ€™s Boutonneux Artemis Of Millbelle JW, Sh.Cm neat compact bitch, pleasing expression and head, arched neck to correct shoulders, good depth of brisket, another who moved well.

OB (7,1) 1 Alexanderâ€™s Offordale Catalina BCC & BOB Very attractive bitch moved with drive around the ring, elegant long neck to correctly laid shoulders, strong but not coarse front, well sprung chest tucking up neatly, well developed rear angulation, very much at one with her handler. 2 Bolt-Rowledgeâ€™s Boutonneux Galathea At Gemmont RBCC Strongly made bitch throughout, pleasing head and expression with nicely arched neck, good forechest with well sprung rib, good width of stifle, moved well with powerful ground covering stride.
