Judges Critique

Thank you to all exhibitors for a lovely entry especially as LKA is at such a busy time of year. I was so pleased with all the youngsters, all confident and happy. Ticking has improved since I last judged and tail carriage. Exhibits were much closer to the standard in this entry. I found many with good front extension and hind movement much more positive. All were shown in good clean condition. Many thanks to my efficient stewards and to the LKA committee for a well run show.
