Judges Critique

It was ideal day weather wise for judging our beautiful breed, and also a great honour to be asked to judge at one of my favourite shows on the circuit. The show as always was well organised and I was made to feel very welcome. The ring was of a good size but unfortunately a bit on the uneven side with the tyre tracks that ran straight through the middle of it, making running for both dogs and owners very difficult.

All dogs were very good in temperament. I found the need for improvement on the handling side, as bad skills lost good dogs high places. We seem to have quite a lot of ticking creeping in which does spoil the normally prominent spots that are required for our breed, and also a lack of pigment on noses and eye rims.

The quality of the dogs in the lower classes did worry me a little, but on the whole I was very happy with my top winners, in some of the higher classes I wish I would have had more than one first place as my decisions were so close and the dogs were outstanding.

Class 1498 MPD 4 entries 0 ABS

1st Mr & Mrs McCarthy Domdallino Je Suis Kilndandy . l/w boy of 7 months, crisp white coat with a good liver spot, head balanced with a rich amber eye. Good clean neck, straight front legs, elbows tight, chest deep, enough stifle. A little bum high but only a baby, moved very free.

2nd Mr & Mrs Wallington Rovinjdal Dare to Dream l/w 7month old baby boy, head requires a little more stop, correct scissor bite, ears used well, good length of neck, straight front legs, good topline, a very happy puppy, he moved ok.

3rd Mr & Mrs Cooper Charmindals Goldfinger

Class 1499 PD 2 entries 0 Abs

1st & BPD Mrs Cadden Phadante Jambalaha 11month old B/W boy, well up for size with good spotting which sat on a crisp white jacket. Fair length of neck, nice front construction, with good feet and short nails. Level topline with tail straight off his back, good depth of chest, enough stifle, hocks straight, moved free and easy. Handler just needs to keep his attention a little more, but they make a good team.

2nd Mr & Mrs & Miss Page Winflash Jimmy Choo , head, balanced with a lovely dark eye, correct scissor bite, good straight front legs sat on good feet. Beautifully decorated, topline retained on the move, nice turn of stifle, handled very well, just wish he would make more of himself.

Class 1500 JD 6 entries 0 Abs

1st Miss T Gardinor Jamesley Pyracantha at Dakata . B/W dog, well balanced with a clean out line. Gentle expression, Lovely dark eye, ears broken framing his face, fair length of neck flowing into good shoulders, elbows tight to chest, which has a good depth to it, lovely turn of stifle. Topline strong, moved with grace, effortlessly around the ring.

2nd Mrs L Thompson & Mr Boagey Dalmanti Blackmoon , just into junior, nice in head with lovely broken ears, darkest of eyes. Nicely put together both front & rear. Straight front legs with strong round bone sat on good feet. He moved so well, but he spoils his lines by playing with his lead, so a little ringcraft would help this boy gain higher places.

3rd Mrs K Geoff-Leggett Washakie Kiowa Warrior

Class 1501 GD 3 entries 1 Abs

1st Kembrey Dalmark The Pinot Grigio L/W with a great spotty tail. Quite a fine boy, typical head from this kennel with the best amber eye so far, nice length of neck, not over done in any way, beautifully decorated with the correct Liver colour spots. Free and easy mover, would prefer a better tail carriage, as this does spoil his outline.

2nd Mr & Mrs Hurst Philcarthom Xcaliber at Finnidal B/W boy, kind head with the darkest eyes, ears used to full advantage framing his face. Stood on good legs with strong round bone. Elbows tight & a good deep chest, hocks straight, tail set & carried well. Steady mover.

Class 1502 PGD 1 entry 0 Abs

1st Miss C Hobbs & M's Whiting Boutonneux Baby Buco Avec Rapanooey JW 2 yrd old B/W male, very much my kind of dog, masculine in head but not over done in any way. Creates a beautiful outline when standing. Darkest eyes with lovely ears which he used well. He has a great front assembly, which has strong straight front legs sat on good feet. Would like a little more behind, but he is a free and easy mover and a top show man making the most of what he has to offer, helped along by his confident handler.

Class 1503 LD 5 entries 1 Abs

1st Mrs L & Mr E Casey Moyglass Professor Plum JW ShCM . 3 year old B/W, he is so honest all through and balanced. The darkest of eyes giving the soft gentle expression, loved his spotty face, head and proportions. Ears dark , Long neck flowing in to a correct angulated front, he stood on strong straight legs with good bone and cat feet, Rough pads and short nails, Deep brisket with great spring of rib, strong loin contributing to a great topline which holds firm on the move. Powerful well muscled rear which drives him around the ring. A true showman, handled to perfection by his owner. Pleased to award him the RDCC. Unfortunate to come up against the Stallion dog from the open class.

2nd Mr & Mrs Talbot Dalpetro Declan at Leaveslake , quality L/W boy, masculine but not over done in any way. Nice head and expression, a rich amber eye. Fair length of neck leading to shoulders well laid back. Angulation both front & back were good enabling him to cover the ground with great ease. Strong over his loin. Beautifully decorated and in tip top condition. A very happy dog and his showmanship gave him his place today.

3rd Mr J Green & Mrs J Sears Tolutim Yves St Laurent at Judally . A dog I have admired for a while and his overall make and shape are so correct, ha has many attributes o of the dogs above, but his lack of showmanship today cost him a higher place.

Class 1504 OD 7 entries 1 Abs

What a stunning class of quality Dalmatians, turned out in super hard condition, a hard decision had to be made.

1st Mr C hultink & Mrs H Hoie DK Ch NL Ch VDH Norsk Ch Solbos Kayo CW12 . I was taken back when I saw this stallion dog that had travelled from the Netherlands to show at Leeds Ch show. He is in his prime at 6 years old. Full of elegance and strength at the same time, with the most beautiful outline when standing. Masculine in head with a dark

eye. Strong muzzle with correct dentition. Fabulous length of neck, correct lay of shoulder, with a deep brisket allowing for plenty of lung and heart room. Great spring of rib, strong round bone, straight forelegs sat on cat feet with short nails. Level topline with strong loin, leading to a powerful rear, Exceptional second thigh with a great turn of stifle, straight hocks. Tail a perfect extension from his topline. His movement is incredible, he has great reach and drive which gives him the long stride making his movement look effortless. At one with his handler and moved on a loose lead. A flawless performance. I could not deny him the CC & BOB, this also gained him his UK Ch title (subject to KC approval)

Pleased to see him short listed in the Utility group.

2nd Mr M Dunnachie Ch Dvojica Vendetta Beautiful B/W boy of just 2 years. Really maturing very nicely. Everything is in the right place. Head balanced with the right amount of stop, strong muzzle with correct dentition. Ears well broken framing his face. Great length of neck flowing into well laid back shoulders. Strong straight front legs sat on good feet. Good spring of rib & deep brisket. Topline strong, with tail straight off his back. Powerful rear with good depth of thigh.
