Judges Critique

It gave me great pleasure to judge dogs at this year's ch show. It was my third appointment for this prestigious show as in 1979 I judged bitches & in 1977 I judged the dogs.

The venue was the East Hall of the KC Building at Stoneleigh with good sized rings for the exhibits to show themselves & their movement. The entry was very mixed for breed type, so it gave me much food for thought.

One point of concern was the stuffing of food into the dogs' mouths while I was trying to assess it, I do hope that it's a habit that is not taking over. It's disrespectful to the judge to have to assess the dogs head & also check teeth with a full mouth.

Surely we can train our dogs to stand still to be examined & reward correct behaviour afterwards. I had to ask a number of exhibitors not to feed while I was judging.

DOGS - MP (4)

1 Ellarby's Daedalus Alfie Boe, 8 months b/w, super spotting this young dog. Good head & dark eye giving nice expression. Good bone & feet, good hindquarters which he can use with a rhythm & drive, just looking a little long in back at present but should develop nicely; 2 Wallington's Rovindal Dare To Dream, this l/w displays a good topline, very good hindquarters, head displaying a longer foreface at present but good expression, liver spotting good but a few tick marks; 3 Doldor Mr Foxtrot.

P (2,1a)

1 Cadden's Phadante Jambalaha, well developed young dog who was nearly 1 year old, lovely head & dark eye giving good expression, displays a good outline with a strong topline, good b/w spotting, moved very well with drive & rhythm. BPD & BPIS.

J (5,1)

1 Gardinor's Jamelsley Pyracantha at Dakata, good outline, nice head with dark eyes, good bone, feet & hindquarters, good spotting but black spots need to clear. Good movement in profile but front movement needs to tighten; 2 Croft's Koroyza's Secret Weapon, nice outline on this b/w. Nice head & ear carriage, good bone & feet. Moved well with good gait. Little proud of tail in movement; 3 Ely's Wintmine Goucho

Y (2,1)

1 Stirling's Winflash Dappled White, nice outline but short coupled, nice head but rather spotty, good topline, bone & feet, moved well with drive, very happy temperament.

N (3)

1 J Pyracantha at D; 2 P Jambalaha; 3 Hurst's Philcarthom Xcaliber at Finnidal.

G (2)

1 Kembrey's Dalmark The Pinot Grigio, 2 years old with a lovely head & expression, rich liver spotting, well shown to display his good outline, good coat condition, moved well with drive, would like him to carry more body, but should develop well; 2 Gee's Manorroy Magnetic Charm, black spotted with a few tick marks, nice head & dark eye giving lovely expression, little short in upper arm, moved gaily.

PG (3)

1 Scott-Allen & Davis's Tolutim Yaffle, a good honest dog, displays a balanced outline, nice head with dark eye, good coat & condition with black spotting, good movement; 2 Lewis's Dashwold Diamond Jubilee by Hunterswood, little strong in head but dark eyes & good expression, well developed body giving good bone & feet, black spotting good but a few tick marks, handled & moved well; 3 Rose & Cattermole's Cader Indris Celt at Kalvadene.

ML (6,1)

1 De Rozario's Dalleaf D's Accord avec Jemblewood, well balanced with good l/w spotting, but spots need to clear, nice head & expression, good bone & feet, moved well with a good stride, a little proud of his tail at times; 2 Cutts's Kilindandy Casanova at Marzelina, good l/w spotting on correct coat & condition, nice head & expression, a little unsettled today but moved well; 3 Taylor & Mackinnon's Frankish Hope And Glory for Kingpin.

L (5,2)

1 Casey's Mayglass Professor Plum, balanced, displays a super outline a good underline, lovely head & kind expression, good bone & feet, powerful hindquarters with true let down hocks, good black spots on white background, very hard condition, moved with rhythm & drive, a very close decision with the open winners. RCC, a lesson in showing & moving on a loose lead; 2 Pratt's Gwynmor Finch Hatton at Solostar, a dog I have admired from the ringside, very nice head & expression, good black spotting, only a young dog, so just needs to mature a little more, looking the part today, just lost a little in front movement & underline; 3 Wright's Millbelle Lithium.

O (7)

1 Erkelens's Madike's Choice Emry's a complete new dog to me, I he took my eye on the first movement around the ring. His dense black spots & his pure white coat really stood out. He had a lovely balanced head with dark eye giving a very good expression, very good body with good bone & feet, good shoulders, neck & topline, tailset good, moved very well with drive keeping topline, a close decision with limit winner. CC & RBIS, I was told afterwards that he was a multi champion; 2 Harrison & Stratford's Dalkereve Dark Dragon, this is a very good l/w, his outline is balanced & his spotting is very good in size & colour, his head is a little strong but eyes & expression good, in good condition & moved well on good legs & feet. Best Liver Dog; 3 Whincup's Ch Tamilanda Panther Lilly.

Memorial (1)

1 Alexander's Ch Offordale Chevalier, I gave this dog a RCC when a junior & have followed his progress big time. Today when standing he looked heavy around the shoulders & brisket. His spotting & coat were good & he was in hard condition. Although alone in the ring the handler had him on tight lead so he could not move with freedom. His front movement was all over the place.

Jun V

BRENDA SMITH

Bitches

A great honour to judge bitches at this most prestigious breed club show, my grateful thanks to the BDC for their warm hospitality and to my two competent and hardworking stewards. I had a most enjoyable day, with the pleasure of judging some beautiful bitches. The depth of quality in the bitch classes provided the opportunity to find some excellent and true to type examples of the breed with both CC and Res CC awards very strongly contested. It is always very encouraging to see plenty of promising young stars of the future standing alongside senior representatives of the breed, a positive reflection of how I feel the breed has improved since the last time I judged. I was delighted to co-judge BIS with Brenda Smith and was gratified that we agreed on all of our joint decisions today. Please do bear in mind that warming up your dog (just like an athlete) before you come into the ring makes a huge, positive difference to your dogâ€™s movement; also maintaining a straight line on the move preferably on a loose lead will allow your dog to demonstrate tracking to the best advantage. I found temperaments were uniformly sound which is of great importance in any breed. Finally, thank you for accepting my decisions so sportingly.

Junior Handling Report

Class A JHA 6-11 years

1st Olivia Dore, age 8, I was very impressed with this young ladyâ€™s handling of her charge. She demonstrated some lovely loose lead work, keeping her dogâ€™s attention as she completed her patterns at a good pace with straight lines, but twirled her dog at the corner of her triangle thus coming between me and her dog.

Class B JHA 12-16 years

1st Sam Jennings, age 15, a very competent and calm handler who correctly completed his pattern work with lovely straight lines, working with an up lead, but dropping the lead towards the end, clearly demonstrating his versatility and control. He was aware of my positioning at all times and this along with his sympathetic handling of his young charge won him the title of Overall Handler.
