Judges Critique

BRITISH DALMATIAN CLUB CHAMPIONSHIP SHOW BITCHES 1 AUGUST 2015

So where do I start....for once I am almost at a loss for words. I had so been looking forward to this appointment first with excitement and then as the day approached with trepidation. To judge ones own breed at a club show is truly a great honour and responsibility

I cannot thank you all enough for the super entry I received, and for me this snapshot in time of the Dalmatian bitches says that the breed is in fine form. I am a great believer in that the depth of quality and the future of any breed lies with good quality bitches being bred on.

I would like to give special thanks to my ring stewards Stef Kazana and Kim Hodge and of course Elaine Tillson who kept everything running smoothly. The committee were friendly and welcoming and I shall always treasure my commemorative gift.

In many classes I so wished I had more first prize cards, and this is why I prefer the continental system of grading, as in some classes those who were down the line or unplaced would have received an excellent grading from me.

MPB 8(1) A taste of the quality to come, a great class of promising babies

1st Christie's Sophtspot Glitterati what a little cracker, at six months so well put together, dense black spotting, prettiest of heads, dark eye, well filled forechest, nicely arched neck, tight feet, good topline, well made hindquarters and strong hocks, moved out with reach and drive. Best Bitch Puppy and reserve to her brother for BPIS

2nd Whincup Rapanooey Miss Continental by Tamilanda a very pretty baby, darkest of eyes, and kind expression, nicely balanced front and rear, strong straight bone into tight cat feet, good even decoration, she really showed herself off to advantage, and she moves well.

3rd Whiting Cragvallie Star Chance

PB

1st Christie's Sophtspot Glitterati

2nd Whincup's Rapanooey Miss Continental by Tamilanda

3rd Townson and Pardoe Daymadals Wish me luck

JB 9(4)

1st Alexander's Offordale Larissa outstanding quality bitch everything in the right place, beautifully presented and shown, lovely head and expression, so well constructed, well angulated neck into good shoulders and topline, nice width through the stifle, evenly decorated on a tight white coat, and moved out with such ease. In my final consideration for CC and res CC a lovely youngster with a great future ahead of her.

2nd David and Saunders Dalticino Interlagos from Dallydyl another quality Dalmatian, a liver of good colour, kind expression strong arched neck, good fill of forechest and spring of rib, strong over the loin and she looks as though she could follow a horse all day. She moves out really well with a rhythmic stride. Best Liver Bitch

3rd Thorne's Duchess of Mohave at Castletop

Yearling Bitch 6(1)

1st Petersen's Daedalus Cliff Angel JW A beautiful youngster, dense black pigment, pleasing in head, dark eye, she has a wonderful outline, excellent reach of neck, good lay of shoulder and depth of brisket, correct and well held topline, well off for bone and super feet. Powerful hindquarters, shown to perfection by a gentle handler, she has great reach and drive, in my final four for the cc and res cc another with a great show career ahead of her.

2nd David and Saunders Dalticino Interlagos from Dallydyl

3rd Dore Daldior Miss Hula Hula Girl

Novice Bitch 15(1)

1st Whincup Rapanooey Miss Continental by Tamilanda

2nd Whiting Cragvallie Star Chance Black spotted puppy of good substance and bone, dense black pigment and even decoration, kind in expression, and dark eyes, well constructed overall, good spring of rib, well muscled hindquarters. Moves well but as the roly poly puppy she is and should be at this age.

3rd Rapanooey Vanishing World at Leaveslake

Graduate 8(2)

1st Neath Duggan Buffrey Hey Diddle Diddle as always by this owner handler a well presented and shown Dalmatian, pretty head and expression, good reach of neck into correct shoulders and topline, good width through forechest, and correct bone and feet. Well muscled, not overdone in any way, a good Dalmatian

2nd Burrows Elaridge Hawkes Phoenix at Shacarlu a well put together black spotted bitch, taller than winner but she is balanced throughout, kind expression and good eye colour, evenly decorated, strong straight forelegs, nice sweep to stifle, good spring of rib, well muscled and moved out really well, a happy showgirl.

3rd Hartley and Griffiths Creaganbrec Glory Be at Miragua

PGB 14(3) More variance in type in this class

1st Rourke's Tamalanda Wild Lilly with Rourkestar three year old black spotted bitch, pretty head, good reach of neck, well held topline, strong bone and cat feet, nice width through stifle, and good second thigh, excellent muscle tone, and a very good mover.

2nd Thornthwaite and Patrick Spiral Desdemona, such a pretty Dalmatian with attractive black spotting, feminine head, balanced throughout, very well handled moved and shown to advantage.

3rd Hernandez Dalminshi Mystic Star

Mid Limit Bitch 4

1st Dawson's Washakie Endless Summer, pleasing two year old, sweet head and expression darkest of eyes, good lay of shoulder, nice width through forechest, strong topline that she held on the move, good depth of brisket and spring of rib, correct bend of stifle, much to like about this well presented good moving girl.

2nd Dvojica Black Swan a well made and feminine bitch, pleasing head, good reach of neck into correct shoulder placement, well muscled and evenly decorated, looked really good on the stack, but today she was moving a little wide in front coming towards me , but nevertheless I liked her a lot.

Limit Bitch 10(3) What a lovely class and I really wanted more first prizes.

1st Quayle's Cubalibre Follow On JW, a really lovely example of the breed, she has elegance and quality throughout, a beautiful and kind expression, well arched neck, excellent forechest, super topline, strong straight forelegs , well muscled hindquarters, she moves out with ease, shows her socks off almost without effort, and so kindly handled, pressed hard for the CC but a very worthy winner of the Res CC

2nd Moate Leiahart Honolulu Honey at Sundowndal JW, I so like this bitch, beautifully constructed, feminine head of good proportions, super neck and front , well off for bone, tight feet, well bodied, strong bone, and super well muscled hindquarters, powerful strong movement, and a happy showgirl who obviously loves being in the ring, she was unlucky to meet winner in such fine form.

3rd Batchelor and Emms Dallydyl Love in Idleness

Open Bitch 6

1st Emmett Simons Ch Dalliviro Reba Mac at Ellemestra JW ShCM well known and well deserving champion, beautifully presented and shows herself off to great advantage, lovely head and expressive eyes, strong well arched neck into well placed shoulders, firm topline, good muscle tone throughout, well filled in forechest, correct bend of stifle, well let down hocks, moves out with purpose and drive and could easily go all day, wagging her tail as she goes such a happy Dally.

2nd Thorner Ch Tolutim Drambuie ShCM a favourite of mine, a well constructed Dalmatian nothing overdone, but all in the right place, sweetest of expressions, deep black pigment and evenly decorated, she has balance, strength and elegance combined with excellent movement, a quality bitch.

3rd Bolt Boutonneaux Galathea at Genmont

Special Open Memorial Bitch 7 (1)

1st Gardner Dvojica Black Again at Wrendragge JW ShCM. To me a really excellent example of the breed, she is not overdone, has a calm almost serene presence and this in part is due to the understated sympathetic and kind handler, she does look a picture on the stand, ultra feminine lovely expression, looks intently at her owner, her well arched neck into well placed shoulders, good front, and feet, strong topline, correct width through stifle, good second thigh uses her strong hocks to drive around the ring. Even spotting , good depth of pigment, and tight white coat. Good muscle tone essential in a carriage dog. In the challenge she filled my eye, and for me at that moment in time from the quartet of top class bitches she just had the edge, so delighted to award her the CC and see her go on to win Best In Show

2nd Quayle's Ch Cubalibre Spot On JW. a really lovely example of the breed, she has elegance and quality throughout, beautiful head and expression, well arched neck, excellent forechest, super topline, strong straight forelegs, well muscled hindquarters, showed her socks off and she moves with ease. Res CC .

3rd Stocks Ch Kalokaire's Lady Bollinger at Nospar JW.

Special Veteran Bitch 3 We should all be proud that we have a breed that lasts so well, the lovely ladies in both the junior and veteran classes all deserved a first prize, as do their owners who keep them in such fine condition.

1st Cuthbertson's Ch Kalsidoni Garnet JW Sh CM a real favourite of mine awarded her cc a few years ago, and she is still in great form, most elegant bitch , so pleasing to the eye, feminine head and dark eye, sweet expression, and at 9 plus still moving out like a two year old, even decoration, balanced both front and rear, well muscled up and enjoying herself so much in the ring, so pleased that with my co judge to make her Best Veteran in Show.

2nd Pickup Roadcoach Ribbons and Roses JW what a lovely name for a lovely bitch, kind head , super reach of neck, nicely bodied , deep pigment and nicely decorated, moves with strength and vigour, keeping her topline , a credit to her owner.

3rd Scott Allen and Davis Tolutim Zaffre

Special Senior Veteran Bitch 6(1)

1st Neath Duggan Ch Buffrey Sprig O Mint JW another well known champion ,at 10 and half still showing her heart out for her owner breeder, a most lovely bitch, with so much quality, lovely expressive face, arched neck and good lay of shoulder, still retains her topline, good hindquarters and moves out with ease.

2nd Dinsdale Dalesbred Mariette, black spotted 11 years young, a well made Dalmatian, pretty head , good reach of neck, balanced front and rear, super pigment, so enjoying herself , moving out well

3rd Richardson Maplewell Hot Fudge

Brace 4(3)

Thorner. Brace stood alone but two well matched bitches who moved in unity, most impressive handling, well done.

I was so pleased with my line up and any one of the final four Dvojica Black Again at Wrendragge, Cubalibre Follow on , Daedalus Cliff Angel and Offordale Larissa are more than worthy of winning a CC, and my final decisions came down to almost splitting hairs. What I would say is that we have something very precious in Dalmatian bitches at present, keep it , be careful where and how you breed. To me the bitches are quite outstanding, and thank you again for giving me the very great honour of judging them.

Sue Wilkinson (Judge)

British Dalmatian Club 90th Anniversary Championship ShowDogs

1st August 2015

I was extremely honoured to judge the Club Championship show, especially as it was our 90th Anniversary. I would like to thank my very efficient stewards, they are paramount to the running of a show, what would we do without them.

Oh dear has quality improved since I last judged, in my opinion no. Where have the correct bend of stifles gone, we are a moving breed, supposed to be capable of great endurance, long striding with a well developed 2nd thigh. Instead many have little if any angulation which results in a pitter patter action. Front movement is a problem with many toeing in, the number who track correctly can be counted on one hand. Temperament on the whole was ok, although one dog did growl at me, this cannot be tolerated in any breed let alone a Dalmatian.

Short tails, with a couple which could only be described as cork screw are slipping into the scenario, this in my view spoils the outline of the dog, light eyes were also quite prevalent. Dally rash appears to be a real problem this year, in one class all four dogs present had various stages of Dally rash.

On a positive note, I found some quality youngsters in the lower classes, which bodes well for the future, and I was pleased with my final line up, could not believe I had found similar type and size. They were excellent specimens of the breed and look forward to seeing their progression in the future.

MPD (5,1)

1. Christies Sohtspot Gold Dust, quality 7mth liver, charming personality, very much a baby, could show many of those in the middle classes how to move, good reach of neck, into well laid shoulders, level topline, with good tailset, correct width of thigh which resulted in excellent movement in profile, tracked correctly, BPIS, BPD, Best Liver dog, in the challenge for BPIS my co-judge agreed with me, although not so mature as his litter sister, his movement was more positive. One to watch for the future, the breeder must be very proud of these lovely puppies.

2. Whittings Cragvallie Chance Me, another quality puppy, dense black spotting on this 9mth male, well off for bone, darkest of eyes, kind expression, good length of neck which he uses, into well laid shoulders, another with a good width of thigh and correct rear angulation, level topline on the move, correct tailset, think these two will probably change places many times in the future.

3. Craigvallie Vinny's Chance

PD (4,1)

1. As above

2. Stocks Nospar's Shaded Lanson, coming up 12mths, liver of good colour, cobbier type than winner, excellent temperament, well schooled and attentive to his handler, not the reach and drive of my winner, although I like to see puppies chunky he was carrying a little too much weight and not in the best of jackets.

3. Dalmark The Wizard of Oz

JD (6,1)

1. Goff-Leggetts Washakie Shoshone Chief, 13 mths, handsome quality male with dense black spotting, beautiful head with dark eyes and a melting expression, good reach of neck, which he uses, into well laid shoulders, level topline on the move and correctly carried tail, correct angulation with good width of thigh, deep brisket, moved so well in profile, tracked correctly, tight cat feet, beautifully handled and presented as expected from this exhibitor, this was the dog the judge would most like to take home, I was delighted to award him his first CC, one of many I am sure, would liked to have seen him go BIS, however my co-judge and I could not agree therefore the referee had to be called, with the final nod going to the bitch, he was therefore awarded RBIS & BOS

2. Alexanders Offordale Picasso, 17mths, excellent quality black male, cat feet, clear black spotting, lovely expression, dark eyes, good reach of neck which he uses to advantage, well laid shoulders with level topline which he keeps on the move, another with excellent rear angulation, moves with reach and drive, super temperament, splitting hairs between these two, RCC

3. Richardsons Mapplewell Dynamite

YD (7) 1.

Cadden's Phadante Jambalaha JW almost 2yrs, Clear dense black spotting on pure white coat, dark eyes, head a little strong for me, good reach of neck into well laid shoulders, good depth of body, cat feet, level topline and correct tailset, he gives his handler a hard time, however once settled moves with drive, good bend of stifle and 2nd thigh, in the final cut for top honours.

2. Hopkin's Rapanooey Rasul, totally different type, more cobby and compact, dense black spotting, good depth of body, masculine head and dark eyes, not quite the rear angulation of 1, however still moves reasonably well, cat feet, shows well and is attentive to his handler

3. Richardsons Mapplewell Dynamite

ND (5,2)

1. As PD, Donnelly's Tamilanda Berry Ice Lilly, nice head and expression, attractive clear black spotting on pure white coat, tail a little short with spoils outline, reasonable width of thigh, good depth of brisket, not the movement of my winner.

3. Pace's Big Addo

GD (4) This was a dreadful class where I seriously considered withholding the lower places, my winner was streets ahead of the rest.

1. As Junior dog

2. Stirling's Winflash Dappled White, small black spot, could carry more weight to advantage, movement ok, well schooled attentive to his handler, and was obviously enjoying his day out.

3. Taylor & Mackinnon's Frankish Checkpoint Via Kingpippin

PGD (4) This class was rife with Dally Rash in varying degrees

1. Gardinor's Jamelsley Pyracantha At Dakata, JW black spot male, excellent make and shape, masculine head without coarseness, good length of neck, level topline on the move, correct tailset, good depth of brisket, cat feet, short listed in my final 4

2. Tingey's Dallyador Aramis, liver boy of good colour, attractive head and expression, cat feet, correct tailset, good depth of body, is good in profile standing, although not the rear angulation I like to see, however for me did not have the drive on the move of my winner

3. Lindsey's Cubalibre Stride on at Appeninne

MLD (2,1)

1. Kembrey's Dalmark The Pinot Grigio, appears small to me, however as he was the only one present difficult to assess. Good colour liver spotting, as always from this kennel. Shorter coupled than many, does not have the reach and drive I would like to see, he did have a lovely disposition and was at one with his handler.

LD (8,1)

1. Scott-Allen & Davis's Tolutim Yaffle Dense black spotting on a pure white coat, judged this boy as a puppy and he

has grown into a reasonable dog, masculine head without coarseness, level topline, with correct tailset, good depth of body, tended to toe in slightly coming towards me, movement in profile ok,

2. Williams Phadante Brightonrock, liver boy just over 7yrs, good head and expression, excellent length of neck which he uses, level topline which he keeps on the move, correct tailset, good depth of body, movement ok, BVD

3. Fellows Buffrey King of the Castle

OD (7,2)

1. Pratts Gwynmore Finch Hatton At Solostar (Imp Ned) Beautiful clear black spotting on pure white coat, excellent head and expression with the darkest of eyes, excellent type and for me correct for size, good depth of body, masculine without coarseness, holds his topline on the move with a correct tailset, has well muscled quarters with correct 2nd thigh and good turn of stifle. Tight cat feet, does not always give of his best but today was putting his best foot forward, serious contender for the ticket, however in the challenge for me he moved slightly wide in front.

2. Baker's Dalleaf Devils Disciple, liver boy in excellent condition, masculine head without any coarseness, good length of neck into well laid shoulders, keeping his topline on the move with good tailset, good depth of brisket, excellent muscle tone, well handled, unlucky to met 1 on such form, sure his day will come.

3. Casey's Ir Ch Buffrey Pop Goes the Weasel At Moyglass Jun Ch

Special Memorial OD (2)

1. Whincups Ch Tamilanda Panther Lilly JW, well known black spot champion, for me he does not have quite the rear angulation I would like, that is my own personal preference, tight cat feet, well off for bone, good depth of body, masculine head with dark eyes, he is well schooled and as always responded well to his handler.

2. Pace's Big Addo

Special Junior VD (3)

1. Hartley & Griffiths Ch Creaganbrec The Favourite At Miragua, I gave this young man a CC at BUBA in 2008, much the same applies now as then, balanced quality b/w, dense black spotting, lovely head and expression, dark eyes, moved well, but just seemed to lack the sparkle in the challenge for BV.

2. Tingey's Holderness Hillbilly By Dallyador Liver boy enjoying his day out. Nearly 8 years young. Lovely clear liver spotting of good colour. Super temperament. Attractive head, good reach of neck, level topline on the move, not quite the drive of winner, however little to choose between these two. Both veterans a credit to their owners.

Lynda Lewis

Judge
