Judges Critique

The Welsh Kennel Club
Dalmatians

I was delighted with both dog and bitch line ups, worthy winners all demonstrating a good degree of uniformity and excellent breed type. The depth of quality meant I had to make some really close decisions on the day and CC and Res CC awards in both sexes were very strongly contested.

A common fault is upright shoulders, narrow fronts and a lack of sternum. I also found a number of short tails with some tails carried rather gaily on the move, spoiling overall symmetry and balance. I thought fitness and muscle-tone to be extremely good, however quite a few exhibits had 'dally rash'.

We enjoyed a large indoor ring which gave the dogs an opportunity to really get into a good stride and show themselves at their best. Temperaments were uniformly sound which is of great importance in any breed, with most demonstrating a happy disposition and clearly enjoying their day out, which makes such a difference in the show ring. Thank you for accepting my decisions so sportingly.

Veteran Dog (4,2abs).

1st Hartley & Griffiths' Ch. Creaganbrec The Favourite At Miragua. A real showman and a dog I have always admired. Liked his moderation and size, attractive black spotting with a super typical head and expression and strong reach of neck. Body well balanced with very sound forehand construction, has a good lay back of shoulder & sternum. Correct topline with an equally good underline. Well boned and bodied with a depth of brisket and spring of rib. Nicely covered with pleasing muscle tone, bone and tight feet, 9 years of age and in great shape not showing his age at all on the move with a free easy ground covering stride and powerful drive. Best Veteran.

2nd Lewis' Ch. Man About Town at Hunterswood. 11 years old and still showing with style, presenting such a pleasing clean outline. Sound and true both tracking and in profile, retaining his topline on the move. Attractive classical head and expression with a strong neck into wither, firm topline with lovely defined croup and well set tail, matched by a good underline. Body well balanced with very sound forehand construction, has a good lay back of shoulder & sternum, standing on good legs and feet with nice bone.

Minor Puppy Dog (3,0).

1st Hernandez's Dalminshi Starlight Express. Eye-catching puppy with lovely B/W decoration & dense pigmentation presenting a clean outline. Very attractive head and expression with a reach of neck into a correct firm topline with an equally good underline, he impressed in profile with balanced and well angulated quarters standing on good legs and feet. Nice shape, size and substance with rounded bone, very masculine but not overdone in any way. Best mover in class, moving soundly and freely with reach and drive, tracked true.

2nd Carroll's Sophtspot Hip Hip Hooray. B/W youngster with appealing head. Pleasing outline, with good overall symmetry, nicely covered with clean neck and shoulders, well defined wither and firm topline. Very well balanced body and quarters with a good underline. Good legs, bone and feet with well let down hocks. Moved out soundly, with reach and drive in profile, not quite the tracking of 1. Didn't seem very settled today.

3rd Perry & Sampson's Dalstorm Eternal Spirit.

Puppy Dog (6,0)

1st Whincup's Tamilanda Midnight Lilly. Most appealing puppy of pleasing moderate size and proportions with clean lines. Well marked with attractive B/W spotting. Impressed me most in this class with his positive and sound movement, covering the ground in profile with accurate tracking. Typical head and expression with a strong moderate neck into an excellent clean wither, topline, croup and tailset. Equally good underline with depth of brisket & strong loin. Scored here on front assembly, matched by a sound hindquarter. Nice to go over, with a lovely covering and muscle tone, good bone and feet. Most promising.

2nd Croft & Cobb-McGill's Kalokairies Bullet Proof. Nicely made liver puppy with lovely head and expression, a super length of neck into clean wither, good flowing topline, croup and tailset. A clean balanced outline, with well angulated quarters and a pleasing size. Opened up really well in profile with plenty of reach & drive, tracked OK. Has plenty of ring presence.

3rd Hernandez's Dalminshi Starlight Express.

Junior Dog (5,0)

1st Neath-Duggan & Baker's Buffrey Incognito By Dalleaf. Stylish youngster with attractive B/W spotting and presented in a fit, honed condition. Delightful masculine head with good skull proportions, ear set and pigmentation. A reach of neck flowing into an excellent clean wither and firm topline. Has a good length of body with strong loin, balanced well angulated quarters, standing on good legs and feet with strong pasterns and well let down hocks used to effect on the move. Impressive mover with plenty of forward reach and drive covering the ground effortlessly. A real showman who makes the most of himself. Pushed my top winners hard today, extremely close decision.

2nd Green & Sears Boschendal Simply Red At Judally. Handsome boy, with good colour L/W spotting. Lovely classic head of pleasing proportion and expression, a strong neck into a sound forehand with a well laid shoulder and defined wither. Essentially masculine of pleasing size, well boned and bodied with a depth of brisket, shorter coupled than 1. Moved out very well in profile, positive mover with good driving action.
