Judges Critique

BRITISH DALMATIAN CLUB SUMMER OPEN SHOW 2017

Thank you to the committee for inviting me to judge our open show again. The hard work that goes into organising these events for us all to pursue our hobby should be recognised and applauded.

Thank you for my gift to commemorate my day, something I will treasure.

Many thanks to everyone who gave me an entry providing me with a very respectable number of exhibits to go over.

Huge thanks to my stewards Elaine and Maria for their humour throughout the day, keeping me in check and ensuring events moved along. Thanks also to Liz Sampson for very kindly taking the photographs of the day.

Some unfortunate observations to report
If one brings a Dalmatian to a show hoping to perhaps win something it would be a good idea to make sure he or she is clean. It does not take long to bath a Dalmatian.

Dirty dogs, dirty teeth, lots of short tails, some dogs had long nails, I mean really long! No bone, narrow fronts, short upper arms and soft pads.

I was delighted with my winners, how many will be future champions who knows, but I do know one that will be, if he stays sound and healthy.

Best in Show Offordale Griffin owned by Jenny Alexander. A baby, yes, but I thought he was stunning. He had everything for me. So much quality and style. He reminded me so much of Offordale Chevalier who I gave BOB to at six months old. He now has fifty C.C "s

RBIS was Finlay's, Dvojica Black Swan at Dalfin Sh CM a quality bitch that keeps knocking on the door, let us hope somebody opens it for her!

RBD Leanne Richardson's, Mapplewell Dynamite, hard fit and showed his socks off.

RBB Brennan's, Daymadals In The Mood JW won my award for best coat in show.

Best Veteran was Whiting's, Cibriith Captain Kirk JW Sh CM a very happy boy not showing his age.

MPD 1 (2)

1. Mrs J Alexander's, Offordale Griffin, top quality puppy dog, b/w super masculine head, broad skull, dark eyes, well set broken spotted ears. The most elegant neck, good topline with excellent tailset, correct front, a visible forechest with good angulation of shoulder. He had a depth of brisket, width of thigh and great bend of stifle, super round bone. Totally balanced. He is correct both ways and flowed effortlessly around the ring. To move in the controlled, collected manner he showed for one so young was impressive. He is so well schooled and expertly handled. I loved him. I will watch his progress with great interest. A fascinating class of quality bitches of various shapes and sizes. b/w bitch who had a classic head, dark eye, flat skull, elegant neck into a level topline, correct tailset. Excellent front, good rib, well boned, compact balanced profile, nothing exaggerated, moved true fore and aft, displayed reach and drive. This handler knows how to get the best out of her Dalmatians, when you are splitting hairs this counts. BPB

l/w quality bitch. Tall, rangy girl, attractive decoration. Pretty head, arched neck into level topline, well set tail. Her tail was down on occasions and she was very unsettled.
