DALMATIANS DRIFFIELD 2017

Firstly a big thank you to the exhibitors for giving me the honour to go over these wonderful dogs but also for enduring the awful conditions due to the weather in which they so sportingly had to showed and accepted my placingâ€™s in such a sporting manor, thanks must also go to my ring stewards for a job well done donâ€™t remember so much mud at a show which made movement difficult and slippy under foot, thanks also to the committee for the invite and hard work in keeping the show running. The breed as a whole is sound but an eye must be kept on front construction / movement and also on the head type as a few faults are creeping in, saying this I was happy with my placingâ€™s on the day a few of which could have changed places at any time
