Judges Critique

Leeds Championship Dog Show 2018

Dalmatian

Thank you for accepting me as your replacement judge for the day. I hope Peter has a speedy recovery and we see him again soon. There was a good entry of 90/98. The weather was a mix of sunshine and showers but the society gave a good big ring. When I judged 3 years ago generally the quality of bitches was better than the dogs and I still feel the same, there are some promising puppies though so time will tell. There were a few dogs that were dirty and some with dirty teeth and the unfortunately ever present dally rash. A show is a place to show your dog in its best condition so don't skimp on the preparation. I was very pleased with my winners and congratulations to the best veteran for going Vet Group 2.
