Judges Critique

EAST OF ENGLAND CHAMPIONSHIP DOG SHOW 7TH JULY 2018

DALMATIANS

I would firstly like to express my thanks to all those who gave me the honour of assessing your Dalmatians. As with all judging this is my perspective on the day, this snapshot in time.

It was my good fortune to have a numerically high and quality entry. I have said before I much prefer the continental way of grading dogs, this allows the judge to appreciate a dog, with an Excellent grading, even if that dog is subsequently not placed. The oft repeated platitude of not enough red cards is not really enough, and dogs I truly liked in some classes went down the line or were not placed, this was especially true in the bitches.

As always I look for a Dalmatian that has breed type, overall balance, not over done and is correctly constructed, and therefore move as befits a carriage dog. Flash and dash will not last all day, a steady rhythmic stride is a pleasure to watch. My winners fulfilled that criteria.

On the downside, this is a beauty competition and some dogs were dirty, I seemed to be constantly cleaning my hands. Dally rash was in evidence also today, in dogs and bitches. Some could do with better forechest, cathedral fronts are not correct. High tail carriage really detracts from the overall picture. Temperaments were on the whole excellent, a couple of babies who have plenty of time were a little hesitant, but I am sure will learn to enjoy the show ring.

Thank you for your patience in the heat, and at the end of the day, you all took the best dogs home.

I had excellent stewards and I thought East of England ran a very good show, especially mindful of the welfare of the dogs attending.
