DALMATIANS

Thank you to the committee for the invitation to judge and also to the exhibitors for the sporting way of accepting my placements.

I came with an open mind as I no longer show or own this my 1st breed that I first owned some 39 years ago. On todayâ€™s entry I was able to find some quality in each class, limit and open in both sexes being the highlights.

However I feel the need to point out that for me the Dalmatian is an endurance animal and therefore should be capable of covering great distance , so an economical , efficient sound movement is required , I was therefore amazed at some of the handlers almost winding the dogs up as if for a standing starting sprint rather like leading a sprint racehorse down to the start and letting them loose out of the box, this only resulted in the dogs losing balance and natural cadence where I was looking for a sound rhythmic flowing trot with ground cover where the hock can truly be used , in some cases saw a hurried/rushed non driving action.

That said I was delighted with my main winners who excelled in breed type and sound movement.

PUPPY DOG 3
1st MRS & MISS HOLLAND & MILLINGTON: CAPEARLLA ITS ON ICE.B/W who cuts a very striking outline, mature for age with masculine attractive head, good length of neck into a pleasing lay of shoulder, and strongly made through , moved out with gusto and tending to loose balance and throw his front at times , time may be his friend.

2ND MR & MRS FINLAYS: DALFIN ACTUAL FACT. Elegant lighter framed b/w , not as mature as 1st and not carrying as much substance as yet, that said he has a attractive head and is balanced in frame and body , uses himself well on the move.

3RD. MISS MCVICAR: DALFIN ALMOND SLICE.

JUNIOR DOG 5 1ABS
1st QUAYLE: MILLBELLE KICKING HORSE AT CUBALIBRE. Lightly marked quality male, correct for size and bone, good length of neck into well placed shoulder, good bone and feet, tail set on and carried well, moved with style and sound showing good ground cover, super showman who has all the promise to go to the top.

2ND MILLINGTONS: CAPEARLLA PURE DIAMONDS. Smaller framed b/w with super decoration, correct shape and size with balanced angulation, gave his handler a hard time but settled enough to show me he has promise, would like to see him as he matures.

1st MILLINGTON: CAPEARLLA PURE DIAMONDS 2nd in JUNIOR DOG.

2ND CHRISTIE: LAGUNA DIOS FREE FALCON BY SOPHTSPOT JW Boldly spotted b/w male larger framed than 1st.unsettled in hall and this was a shame because I liked him , saw enough to see a well put together stallion dog , with good bone and angulation would have loved to have seen him shown outside but I believe he has everything required to place highly on another day.
