Judges Critique

Dalmatian

Diverse entry but I was pleased with both my final line ups. I was somewhat dismayed by a number of dogs not shown in clean condition, for a smooth coated breed this is totally unacceptable.

VD (1 Entries) Abs: 0

1st: 6973 WHINCUP, Mr & Mrs K & SIBSON Mrs S Ch Tamilanda Vintage Pink

Liver spotted dog of pleasing balance, like his head and expression, eyes of good colour, pleasing pigment. Clean through the neck, shoulders well laid, excellent bone and the best of feet. Level topline, well ribbed but carrying too much weight which affected him on the move. Could be a little more angulated in the rear, shown in excellent musculature.

1st: 6896 ALCOCK Miss J Kayjule Kepler At Dalspartan

Masculine black spotted dog, well grown, pleasing head, attractively marked and with super pigmentation. Pleasing forehand, well boned legs and well padded feet. Firm in topline, tail well set, moved positively.

2nd: 6932 GREEN, Mrs J & SEARS Mrs J Alphadal Aint Misbehaving At Judally

Beautifully marked liver spotted dog with much to admire. Well balanced and stands on the best of legs and feet, shown in immaculate condition and musculature. Not the masculinity of 1 yet but yet, should finish well.

Ribbed well back, doesn't want to carry anymore weight, holds a good outline standing and moving. Moving freely in all directions, should have a great future. BP

2nd: 6925 FINLAY Mrs A M & Mr M Dalfin Actual Fact

Heavier marked black spotted dog, clean in outline. Balanced in his angulation, enough bone and good feet. Holds a good topline standing, free and rhythmic mover particularly in profile. Going through a growth spurt and could carry more weight to advantage. A little proud of his tail at times.

Well conditioned puppy of appealing type, raw as you would expect but she is well made and has excellent angulation. Well boned legs, super feet. Holds a good topline standing and moving and is an attentive showgirl, can be a little proud of her tail at times. Just not as forward as the two puppies ahead of her in the next class.

Heavier marked liver spotted bitch, head of excellent shape, eyes needing to darken still. Really well angulated front and rear, well boned legs, well bodied and with a firm topline. Great personality and finding it all very exciting still and a little uncoordinated moving.

Half sister to the CC winner and has much of her quality, liked her head, pleasing expression, excellent forehand, shoulders well laid and just right for bone. Cat like feet. Good depth of brisket, ribbed quite well back although fractionally longer in her loin, well angulated quarters, strong short hocks. Well balanced liver, slightly taller and more elegant than 1. Pleasing head shape, eye colour could be darker, pleasing front angulation, bone and feet. Developing in body, could perhaps carry a little more weight to advantage. Moved positively in this class but performed much better for her replacement handler in a later class, I hope she will be encouraged to take over her showing in future.
