Judges Critique

Blackpool 2019

There were many good dogs today and I was very happy with my major winners. For me the best of the entry was in the bitches. The males really need some improving. I was disappointed to see so many high tails, flagpoles, or curled over the back, completely wrong and spoils the whole outline. On the whole temperament was very good, size is still very varied as are head shapes and short muzzles.

VD/B (5, 2)
1 Whincupâ€™s Ch Tamilanda Panther Lilly JW ShCM. Black, male, good for size and substance. Very impressive in outline with a level topline, lovely tailset and carriage. Has good reach and drive and is very easy on the move, round bone and tight cat feet, liked his expression, good well placed ears, deep rib and nicely marked.
2 Lambâ€™s Dalpetro Diva JW. Black, bitch with lovely shaped head and expression, nicely angled with deep rib, quite sound and stylish.
3 Newton & Newton-Oâ€™Brienâ€™s Cubalibre Polkadot

MPD (2)
1 Harrison-Stratfordâ€™s Dalkereve Dark At Midnight. Just 6 months, loved his size, neck and top line. Well shaped handsome head, well angled in front with good strong bone and cat feet. When he settled he was sound, nicely marked and in good condition.
2 Bliss & Pearsonâ€™s Kelevra What A Guy. 8 months, black, very handsome head with good dark eye, well boned with good depth of rib, and very sound rear. He is at in inbetween stage in his growth and just need time. Very nice dog.

3 Stocksâ€™ Nosparâ€™s Shaded Lanson JW.

OD (6)
1 Croft & Cobbâ€™s Kalokairieâ€™s Bullet Proof. Liver just fills your eye, right for size, balanced handsome head with flat skull, and lengthy muzzle. Well shaped dark eye and good expression, good ear set and size. Nicely placed front with correct angulation. Strong round bone, slight pastern angle and tight cat feet. Lovely deep lengthy rib which is so correct in this breed. Tail set just right carried correctly and of a decent length. Level back and short strongly muscled loin. Powerful rear with good matching angulation, and he can reach and drive, so free and effortless (when given the opportunity by his handler). A really impressive dog with good breed type and quality. DCC
2 Christieâ€™s Ch Sophtspot Gold Dust JW. Liver, long been a favourite of mine but today just didnâ€™t quite match the winner. However he is a super quality mature male with really good construction all through. Such a good front and lengthy rib, level topline and strong loin. Good legs and feet and very sound with an excellent tail His handler fussed him far too much. Res DCC

Super front angulation, with forechest, strong round bone, tight cat feet, deep and lengthy rib, strong short loin, well set tail that is carried correctly, well angled and powerful rear, she is quite effortless on the move with plenty of reach and drive, such an economical fluid daisy cutting action. It was a joy to watch her and very satisfying to go over her. Delightful temperament, excellent breed type, and quality all through and she fully deserved the Bitch CC and later BOB
