Judges Critique

Boston & District Canine Society 11/01/2020

Dalmatian

I was really pleased with the quality of the breed today. Since I last judged 4 years ago I found that the males had improved being a more standard size. Temperaments were excellent with "happy tails" throughout both males and females. The puppy classes had quality throughout, I was very pleased to see that the best puppy gained Best puppy in group. Quite an achievement for an 8 month old Puppy.
