Crufts
Breed: Dalmatian
Crufts 2020 Judged by Mrs K. Goff-Leggett
May I begin by thanking the Officers and Committee of the Crufts Kennel Club for this prestigious appointment. I was very humbled by the generous exhibitors who gave me such a wonderful entry and was delighted by their sporting enthusiasm on the day. I would also like to say a massive thank you to my two top stewards, Stef Kazana and Bill Ashcroft, who looked after me so well.
I would like to add a couple of comments about the breed overall. My biggest concern is in fronts being narrow - the chest should be broad and deep with elbows tight with a deep brisket. There also appears to be more exhibits with a high tail carriage, please check the breed standard when planning your breeding. This fault does spoil the outline. There were some Dalmatians with pink feet, but overall, presentation was first-class with good quality coats.
I haven't been around the show ring in a while and it was lovely to go over so many beautiful exhibits, many going without cards, but each decision was based on what I saw on the day. I was delighted to see that my best of breed winner was shortlisted in the group.
Veteran â€“ Dog Entries: 8 Abs: 1
1 Todhunter and Robinson's CH MILBELLE LITHIUM JW. Elegant and attractive black spotted dog at 9 years. In top condition, well marked, good bone and substance, moving with great precision and drive. Loved his proportions and condition.
