Judges Critique

Thank you to all those who supported me at my first-time giving tickets. While some things can be overlooked overall Dalmatians are a working breed and movement is top priority. If it doesn't move correctly, it isn't made correctly and nothing should be exaggerated. Mouths were excellent as was temperament. Quality varied from class to class but my overall winners in dogs and bitches were excellent examples of the breed.

PD

1. Koroyza Viking voyager - what a start to the day. Well boned, tight feet, superb rear angulation. Lovely kind head and excellent spotting. Moved steady and with reach and drive and couldn't get past him for the rcc

Jd

1 Dvojica Enrique lovely spotting, level topline and good tail set. A good head but would prefer larger ears being hyper critical. Correct size and moved well when he stopped messing his handler around.

2. Sophtspot Midas touch for koroyza dark eye and good head set on a long neck. Well spotted. Excellent topline. He is in the teenage years so gangly at the minute

3. Dalamanti Caesars palace

Yd

1. Dalamanti Caesrs palace so much to like good bone and stifle and structure wise hard to fault but unfortunately his spotting really spoils him. Moved with reach and drive

Nd

1. Kenynten gladion nice spotting. Good topline. Tight feet. well angulation front and rear. Good profile movement

2. Perdiitas albus Good moving well angulated dog with deep liver spotting. Not for me in the head though would prefer a longer muzzle.

Pgd

1. Sassydals flugel horn so much to like on this boy. Lovely head and neck. Beautiful spotting level topline with a tail that flows off his back. Correct angulation front and rear decided to drop his tail in challenge but a strong contender for higher honours

2. Dallydyl the loving spirit jw another excellent example. Enough bone and level topline with well set tail. These two could easily swap on another day.

3. Apache dream catching for dotlun

Ld

1. Dalfin actual fact shcex nice sized boy with excellent movement. Excellent spotting and loved his head which is on a well set neck. Tight feet and correct front and rear angulation contender for higher honours

2. Chizzmic what a carry on has a fabulous kind head. Lovely tight feet and good bone. Correctly angulated front and rear but not as confident as winner

3. Bellini, s d sâ€™more de loin

Od

1. Ch caprilliâ€™s panache over sassafras (imp USA)

Superbly handled to bring out his many good qualities. Masculine without coarseness. Level topline and superb angulation front and rear. Beautiful markings and on the move hard to fault. Top quality dog cc and Bob Delighted to see he made short list in a strong utility group

3. Dallydyl dream of manderley to olbero

Ob

1. ellemstra little mix with kalsidoni well boned bitch with long neck. Tight feet level topline nicely spotted. Moved with drive so much so her owner was pulling her back slightly which detracted from the limit bitch rcc but close run
