# Judges Critique

Bath 2022  
Dalmatians  
Kevan Berry (Ricksbury)

What a marvellous entry, my thanks to all the exhibitors for giving me such a large entry. I was really pleased with the high quality particularly in the bitches. I really was spoilt for choice. I did find a lot of poor feet and a number of poor shoulders.

MPD (6, 0) 1 Alexander Offordale Grenadier cracking puppy, only just starting out on what one would hope to be a great show career. Distinctive well spotted coat, a lovely head, lean cheeks, super neck and shoulders. A well-proportioned body, he has good legs and feet. He is a good moving dog, just a tad sloppy in front, this should improve as he is so young. Best puppy dog.

2 Christie Sophtspot Perfect Storm I was splitting hairs with him and the winner, who just clinched the class on being better in body. He moves really well with proud carriage, another with a promising future.

3 Howard Decoda's Crackerjack

PD (5, 0)

1 Wootton Tolkain Caliban distinctively well-marked black, that hopefully won't grow anymore. He has a pleasing head, good eye with strong neck and excellent body proportions. He has good legs and feet

2 Porter Cotterspot Sir Wensleydale probably a better size than winner appeals, in head, good dark eyes and lean cheeks. He was well bodied but not as well toned in muscle as the winner.

3 Croft Dalmark the Rule Breaker

JD (2, 0)

1 Fellows Faernaur Shooting Star A smart dog of fourteen months, lovely head, clean neck and good deep chest. Another that can move well.

2 Wilkins Gloriandus Petersburg at Salvadorada another well-proportioned black with pleasant head. In fact, these two dogs were a decent pair that both moved and showed well.

YD (4, 1)

1 Wright Millbelle Crazy Horse JW a good moving dog with nice head. Not over exaggerated, well-muscled and a good mover. A very typical Dalmatian, nothing overdone about him

2 Richards & Davies Hafwenna We Will Rock You coat not as good as the winner but for overall breed type he's hard to overlook. A sound steady moving dog.

3 Wilkins Gloriandus Petersburg at Salvadorada

ND (4, 1)

1 Smith Rapanooey Sugar Donut a free moving dog. His head was free from wrinkles. Well set eyes, good mouth, good high set ears and deep in body. A nice steady mover with good temperament.

2 Wilkins Jaquarella Fire'n'ice at Salvadorada this correct sized liver dog has a pleasing head. He has good colour.

Susan Gatheral always used to say that when describing a liver, it should be the colour of a Malteser's - this is what he is. He moved with a good long stride.

3 Burke Hafwenna Painted Black

PGD (2, 1)

1 Burke Hafwenna Painted Black handsome male, I would like him smaller. A nice head, balanced body; just wanted him a tad smaller.

LD (6, 1)

1 Philip Dunnachie Dvojica Enrique the standard says that a distinctively spotted dog, balanced strong muscular and active - this black spotted dog certainly ticked all the boxes for me. His head of good length, great pigmentation and perfect mouth. He has an arched neck, clean shoulders and excellent body proportions. Well-rounded rear and perfect tail set. It's whilst on the move that one can appreciate his many attributes. I was delighted to award him what I was told his 2nd CC and with-it BOB. He looked magnificent in the strong utility group, winning group two behind the fabulous standard poodle.

2 Pearson & Bliss Kelevra What a Guy JW and another RCC. Another dog that shows his many qualities whilst on the move. Ideal size, lovely legs and feet. He has a flat broad skull with a good arched neck leading to shoulders. Elbows fitting close to body, well-muscled good turn of stifle. Unlucky to meet the winner.

3 Chance Dodds Apache Dream Catching for Dotlun

OD (3, 2)

1 Page & Howell Bleize De Montjuic at Winflash this is a very stylish dog has lots to admire. He has a good head, correct ear set and broadish skull. He has a strong neck, good shoulders and in very hard condition. He also makes the most of himself on the move. To be critical I'd have liked him a tad smaller.

SBD/B (10, 1)

- 1 Collier Kallierbelle Ceithir this lovely bitch stood out in the class; she is spot on for size. A lovely typical head, balanced body, good legs and feet. A very good moving bitch that should do well.
- 2 Wilkins Gloriandus Ursaline of Salvadorada another sound and steady moving bitch with well- defined black spots, nice size.
- 3 Porter Dame Tulip of Cotterspot

VB (3, 1)

- 1 Finlay Ch Dvojica Black Swan at Dalfin Sh.CM a beautiful bitch in tip top condition. Lovely size, has such an appealing expression coming from her nicely set dark eyes. She has a longish neck, clean shoulders, and excellent body proportions. She is a bitch that certainly shows the lasting qualities of the breed.
- 2 Graham Dotlan Sorrellas Phancy another not showing her age, in fit hard condition. A most pleasing head, she has a strong neck and shoulders, firm body and her movement was free and smooth. Unlucky to meet winner.

MPB (9, 3)

- 1 Page Winflash Osprey delightful puppy that for her age has great muscle. A most feminine head, flat skull, lean cheeks and a longish neck on good shoulders. Elbows set close to body with good body proportions. This puppy really pulled out all the stops to take Best Puppy over the lovely dog puppy. She should have a bright future.
- 2 Alexander Offordale Kalinda another super puppy that again should have a good future. I just felt on the day the winner had the edge on movement. This puppy I found difficult to fault she a cracking puppy.
- 3 Christie Sophtspot Peek a Boo

PB (8, 2)

- 1 Page Winflash Chanel Paris another from this kennel that has the correct powerful movement. She is carrying a bit too much weight. Pleasant head, good neck and shoulders, legs and feet.
- 2 Edens Steyndal Diamond White at Dalens Black spotted bitches with a lot of quality. She has a nice head and a good skull not overdone. With a good neck and strong firm topline. She could strengthen behind.
- 3 Chappell & Williams Steyndal Star Sapphire with Waltzaway

JB (8, 2)

- 1 Chance Dodds Dotlun Apache Inch Perfect a typical carriage dog who is certainly capable of great endurance. Such a lovely head, lovely eyes which are well set. Free from wrinkle, well set ears and arched neck. Oblique muscular shoulders and has a well-ribbed body. I loved her well-rounded feet. She stood so well, each time I glanced over at her, she was standing correctly. She has a perfect topline and tailset. Her movement was faultless. Her liver spotting is well defined. Her size is spot on. In the challenge she and three others all outstanding and worthy CC winners but I just loved this stylish young bitch and it was my extreme pleasure to award her the CC her 1st and I wish you well for her future.
- 2 Bolt Fakenham Fontanella another of immense quality, so well balanced throughout. She is a lovely size and moves true both ways.
- 3 Fellows Faernaur Celeste

YB (4, 0)

- 1 Finlay Dvojica Excuse My French at Dalfin JW super bitch, she has a very feminine head of correct proportions. With good dark eyes well set, high set ears and a longish arched neck. A straight topline held well on the move and again she is a true mover in both directions. A bitch of champion quality.
- 2 Richards & Davies Hafwenna All That Jazz a very well-balanced bitch with good powerful movement. She is an ideal size with a pleasing head and well decorated body.
- 3 England & Edens Dalens Queen of The Seas at Silverspot

NB (9, 1)

- 1 Bolt Fakenham Fontanella see second in junior bitch.
- 2 Edens Steyndal Diamond White at Dalens see second in puppy bitch
- 3 Chappell & Williams Steyndal Star Sapphire with Waltzaway

PGB (8, 1)

- 1 Hopkin Dvojica Evangelista JW I just wanted to take this one home. She is outstanding. The first thing that hits you is her faultless outline, her clear spotting and then look closer and the proud head carriage is lovely. So feminine, dark well-set eyes, lean cheeks and slightly arched neck. She has wonderful shoulders, a firm topline and powerful sound movement from this exceptional young bitch. It was one of those occasions that I could have done with another CC. I was happy to award her the RCC. She is very typical of the type of Dalmatians bred with this prefix.
- 2 Howard - Riddle Shydally Star Attraction I keep repeating myself, she is also a lovely bitch of correct size, carries herself well on the move and has good legs and feet.
- 3 Bridge & Meyer & Britton Keiradal Moulin Rouge at Akoni

LB (16, 5)

- 1 White Sophtspot La De Da At Belsmard Shcex text book markings and a beautiful well-balanced body. A sweet feminine head, well set dark eyes, correct stop, clean lips, high set ears, great neck and shoulders. With a good spring of rib, really good legs and feet. On her toes at all times and one of my top four. Another that should end up with a CH in front of her name.
- 2 Pearson Kelevra Mind Your Nebula same remarks apply to this correct sized feminine bitch. Unlucky to meet the winner who was just so difficult to overlook today.

3 Thorner Alphadal's Sweet Dreamer of Naracoopa

OB (9, 1)

1 Dunnachie & Philip Ch Dvojica Daisy Diamond a lovely class I don't think the breed has a lot to worry about with quality like this 1st very difficult to fault her not that I'd want to she is good for size has a lovely head arched neck free from throatiness well-muscled body good legs and feet and a joy to watch on the move.

2 Neath-Duggan & Baker Ch Buffrey Hanky Panky by Dalleaf JW Again the same remarks as winner. Beautiful head, good neck and shoulders. In good hard condition. She too has the desired action on the move.

3 Page Winflash Lulu Guinness
