Judges Critique

Dalmatian Club of Scotland 19th June 2022

It was a very special honour to be asked to judge this Breed Club Show and I have looked forward to it for quite some time. My thanks to the hard working Committee who made the day flow effortlessly. I have to admit that the number of dogs was very daunting and have never judged so many dogs in one day. I probably judged quicker than would have been normal for me but I hope I did not judge too fast. I found the males very challenging, tails were not very good, and consistency of type was difficult to find. The bitches were numerically stronger and were a bit easier but still too many types. I was very happy with my major winners. Thank you all for being so sporting about my placings and I really enjoyed my day.
