BUBA Show Report

Dalmatians

Our breed continues to draw high Ch Show entries but type throughout remains varied. A cause for concern today were some of the heads. Coarse untypical heads with really hard expressions and some short stubby muzzles even on some of the bitches. Dalmatians should have kind heads with correct proportions. Some of the front assemblies were so far forward the dogs were standing like rocking horses. Tails, well the least said, no improvement there. That said I was pleased with my line ups and decisions were hard. The Open bitch class was wonderful.

MPD 6 (1)
1. Bickerdike Jaxsondal Creme de la Creme at Koroyza Happy young man Nice bone and size, fairly short coupled moved round quite nicely. Needs time.
2. Moss Sadiedel Let ur Heart Desire Well marked, longer in body than 1. Well-schooled and moved out happily
3.Watts&Jackson-Peatling Jaxsondal Rocket Man
