Judges Critique

DALMATIANS BOURNEMOUTH CHAMPIONSHIP SHOW 10TH AUGUST 2024
Many thanks to the officers and committee of this friendly show. A pleasure to judge for you.
Thank you to the exhibitors for giving me a good choice of some quality Dalmatians. It was lovely to have as stewards my friends Linda and Marion, thank you ladies.
Sadly as is almost the norm today high tail carriage especially in the males is a big problem, and newer exhibitors and breeders will think that this is what is expected and that it complies with the breed standardâ€¦ It does not, and it detracts and spoils the overall outline. On the plus side, coats were in the main excellent and temperament was good a few hesitant ones but nothing that time and patience will not correct.
I was looking for a muscular Dalmatian that had elegance and quality and was fit for function, and I did find these attributes in most of my class winners and certainly in my CC and Res CC placings
MPD 3
1st Whincup Tamilanda Vintage Gold, a very smart liver spotted baby of just six months of age. Took to showing like a duck to water, friendly and outgoing. He has a white face but good eye colour and well broken ears. Excellent reach of neck and good bone and forechest, cat feet, correct topline, well made hindquarters displaying muscle tone. He has a free and easy ground covering gait. Shown in tight white jacket and even rich liver spotting. A real smasher bright future for you young lad BPD
2nd Richards Hafwenna Magizoologist, not the confidence of winner, but he has lotsof time. Well defined clear spotting, kind head and dark eye, . Well bodied up for a baby, presents a balanced picture on the stack. Sound in movement but not as positive as first placed puppy. Very kindly handled and shown in excellent condition
3rd Cattermole Hafwenna Dumbledores Army for Kalvadene.
PD 4
