Judges Critique

British Dalmatian Club Open Show, 3rd May 2025

A wonderful weekend for the centenary celebration of the club. A new venue for this event and a fantastic setting it was. We were blessed to see a well organised carriage dog demonstration during the lunch break, this was simply amazing seeing our breed do what they were bred to do and each step being explained thoroughly.

Thank you to the club, members, and exhibitors for giving me the opportunity to judge your lovely Dalmatians, many did make me smile and overall temperament was fantastic which is a real positive for our breed. I was however disappointed in the condition some of the dogs were presented in, not so much skin issues just not clean.

Lastly, thank you to my lovely stewards Fiona and Linda for keeping everything up to date, itâ€™s certainly no easy task at a club show!

Baby Puppy (2,0)
1st â€“ Scampdal Limited Edition (Mrs W Hill)Â â€“ Sweet puppy with a happy temperament, correct pigmentation on his head, black spots lightly distributed overall. Showing good bone and moving out confidently with his handler.

2nd- Anima Cordis Man In The Mirror for Kalvadene (Imp Pol)(Mrs J Cattemole & Miss S Richards)Â â€“ Going to be a different type to 1st, much rangier in his development and has a lot of growing to do. Good for temperament and nice liver colour, at the stage of learning how his legs move, still very much a baby as the class suggests.

Minor Puppy Dog (2,0)
1st â€“ Charismatic Caspar (Miss Z Blackmore) â€“ I believe this was this puppyâ€™s first show, I would never have guessed. Well-schooled and outgoing temperament. Evenly spaced black spotting showing good pigment throughout. Dark pigment on his face and ears which he used well. Has some growing to do as his age would suggest, would like some more body on him. Balanced angulation front and rear, holds a good topline on the move with tail carried correctly just off the back. Won the class on accuracy of movement, very together for such a young age. In the challenge for best puppy in show, felt he displayed a more flowing outline and was awardedÂ Best Puppy In Show.

2nd Decodaâ€™s Long John Silver Von Schunikka (Miss J Kaal)Â â€“ A slightly larger frame than 1st, with more maturity evident at this stage of development. Presents a handsome expression with dark, well-pigmented eyes and excellent overall pigmentation. Shoulders well laid back, stands over the ground with purpose and strength over the loin. Although he did not always fully extend on the move today, he shows potential for fluid stride once he settles.

Puppy Dog (3,0)
1st Winner of MPDÂ â€“ won this class on more accuracy in movement.
2nd Shydally Golden Star Over Judally (Mrs J Green & Mrs J Sears)Â â€“ 11-month-old black spotted male, full of youthful exuberance and shown in excellent condition. Good amount of bone, correct round compact feet and correct pasterns, giving a strong and supportive stance. Spotting is well defined and evenly distributed over a clean white coat, with very good pigmentation throughout. Tail is well set and correctly carried. Should settle into a more rhythmical gait as he matures.

Junior Dog (1,0)
1st â€“ Hafwenna Dumbledores Army for Kalvadene (Mr C & Mrs J Cattermole)Â â€“ Good colour liver displays a pleasing expression, with nicely carried ears and a good eye of correct shape and colour, in line with his liver pigment. Tail is well set and carried, although the topline itself could be firmer, he makes up for this in overall strength and drive. Well-developed fore chest and excellent muscle tone throughout.

Yearling Dog (4,1)
1st â€“ Dalmarkâ€™s Jubilations at Nospar JW (Mrs T Stocks)Â - Liver spotted, presenting a shorter-coupled outline. Moved with purpose and drive once settled, showing clean, efficient movement with good reach and drive. Clean neck fits into well laid back shoulder. Feet are tight and well arched, supported by strong pasternsâ€”sound and functional. Head is masculine with a kind expression; slightly stronger in skull. Shows correct eye shape with well-matched liver eye colour, enhancing his overall appearance.

2nd â€“ Dalstorm Just Jiving (Miss S & Dr J Claesen)Â â€“ Black spotted male of a larger frame, presenting a strong and athletic outline. Moved well around the ring with good drive and rhythm, maintaining a steady topline and confident presence. Would prefer a touch more refinement in pigmentation, and slightly more defined stop to enhance the overall expression and head balance.

Novice Dog (1,0)
1st 2nd MPD â€“ repeat.

Graduate Dog (3,1)
1st Junior Dog â€“ repeat.

2nd â€“ Cubalibre Sirius Celeste (Mrs B Quayle)Â â€“ Hard work for his handler today, very distracted which made it difficult to assess him on the move. Shorter coupled, presenting a compact and balanced body. Displays good stifle angulation and excellent muscle tone. Tail is nicely set and carried correctly, complementing his topline. Black spots well placed, correct pigment throughout and excellent well broken ears.

Postgraduate Dog (3,1)
1st Dalberry That Boy Is Mine (Mr I Goddard & Miss E Barry)Â â€“ Liver male of good size and substance, exhibiting a strong, well-defined head with balanced features and a pleasing expression. Shows excellent muscle tone and balance in outline. Coat displays ideal spotting, well distributed though a little on the darker side in colour, does not detract from overall quality. Feet are well shaped and tight. Moved accurately in all directions. Pushed hard in the challenge,Â Best Liver Dog

2nd â€“ Hafwenna The Red Viper at Dintradot (Miss F Burke)Â â€“ Black male of a lighter type, shorter in body. Displays a keen expression with correct pigmentation throughout, spotting is attractive however not in the best coat at the moment. Well schooled, moved straight out and back with accuracy, showing good topline and carried his tail well, complementing his overall outline.

Limit Dog (5,0)
1st â€“ Shydally Ultimate Edition JW (Mrs E Williamson)Â â€“ A well-built male exhibiting excellent muscle tone, demonstrating strength and athleticism throughout his body. He presents a compact and correctly proportioned frame, certainly well exercised. Eyes are a shade lighter than I would prefer, especially as he has such deep pigmentation on his head and ears, though they remain well-shaped and set. On the move side profile is pleasing, with clean reach and drive, and he maintains correct tracking up. Stepped up in the challenge on the move to be awardedÂ Reserve Best Dog.

2nd â€“ Dallyador Lockdown Legend (Mrs H & Mr R Tingey)Â â€“ A liver dog of larger frame yet still maintaining balance and substance without coarseness. Shows a well-developed fore chest and strong front assembly, allowing for good reach on the move. Thighs are muscular and well-defined, supporting drive from the rear.

Open Dog (2,1)
1st â€“ Decodaâ€™s Captain Tom (Mrs E Williamson)Â â€“ A well-balanced liver dog of pleasing size and proportions. Presents a rich liver pigmentation throughout, his head is clean and of good length, with a well-defined muzzle and a kind expression in his eyes. Displays even angulation fore and aft, demonstrated steady profile movement. Excellent toplineâ€”level and maintained both standing and on the move.

Junior Veteran Dog (2,0)
1st â€“ Ch Alphadalâ€™s King of Angels ShCM VW (Mrs P & Mr C Goodswen)Â â€“ At 9 years old, black-spotted veteran came to win today. He is of ideal size, and his overall balance and proportions really appeal. Balanced head, with a strong neck and clean over the withers, his shoulder angulation is correctly well laid back with a well-matched return of upper arm, contributing to his efficient and ground-covering stride. Good depth of chest and enough width throughout for heart and lung room. A standout on the move, with the best straight movement, tracking up correctly and demonstrating excellent reach and drive. Thighs are muscular, giving the required power. Excellent feet with correct slightly sloping pasterns and strong hocks. Carries his tail well both standing and on the move. Calm and happy in temperament, excellent pigmentation throughout, with soft kind eyes giving a pleasing expression. In the challenge could not look past him forÂ Best Dog Â and ultimatelyÂ Best In Show & Best Veteran In Show.

2nd â€“ Tippledal Tarw Du at Opalsnow (Mrs J Salkeld)Â â€“ 7-year-old black dog of taller stature and more athletic build. Presents with a happy, outgoing temperament and a truly kind expression, enhanced by his very dark, expressive eyes. While spotting could benefit from more definition, his overall construction is clean and functional.

Senior Veteran Dog (4,0)
1st â€“ Ch Buffrey Incognito by Dalleaf JW VW Swiss Vch (Mrs S A Neath-Coyne & Miss S Baker)Â â€“ 10-year-old black-spotted male who continues to impress in his senior years, still showing so well and not showing signs of aging. Presented in excellent condition, with dark, well-defined spotting of pleasing size. Stands on good pasterns and moved straight in all directions, maintaining balance and enthusiasm throughout. I would prefer a little more width through the frame, his overall construction remains sound and athletic. Carries his tail well and topline remains strong standing and on the move.

2nd â€“ Int/Fr/Ir Ch Domdallino Je Suis Kilndandy JW (Mr J & Mrs K McCarthy) â€“ Liver male more senior in age, presented in good muscle and clean lines throughout. Shows ideal movementâ€”light, balanced, and efficient, covering the ground with ease. Liver pigmentation is of correct rich tone, and spotting is well distributed. Really liked his head, masculine but not coarse. A sound, honest dog who moved with grace and precision, just not as athletic as the winner.

BITCHES

Minor Puppy Bitch (1,0)
1st â€“ Tippledal Mist Of The Meadow (Mrs E James & Mr S Vaux)Â Promising young girl of nice size and overall

proportions. Well-balanced with pleasing angulation fore and aft, standing on good feet. Her head shape is developing nicely, complemented by good ear carriage which enhances her feminine expression. Shows good length of neck, giving her a graceful outline.

2nd â€“ Offordale Jazz (Mrs J Alexander & Miss I Collier)Â Very pretty girl, contrast to 1st as she is lighter in spotting overall, presenting a bright expression enhanced by ideal ear decoration and a nice, tight muzzle. Body width is still developing and will benefit from maturity. Shows promise in overall balance and type, moved out with plenty drive.

Yearling Bitch (4,0)
1st â€“ Tamilanda Rose Gold at Elabri (Mrs E Tillson)Â Liver, showing nice ideal spotting with well-distributed markings, pretty head with correct amber eye. Tidy outline, showing balanced angulation with excellent width of thigh and correct tailset. Held her topline well standing and on the move, wonderful temperament really focused on her handler.

2nd Maddidalli Auroras Heart (Miss T Davies)Â Excellent pigmentation on this black youngster. Uses her ears well, they are set on high and frame her face. Expression completed with her dark eyes and give an overall feminine look. Tight feet and well-manicured nails. Pushed hard in the challenge for BPB and came out on top as felt she had more fluidity in her movement. Best Puppy Bitch

Graduate Bitch (7,1)
1st â€“ Alphadalâ€™s Royal Rainbow (Mrs P & Mr C Goodswen)Â Liver, smaller size overall but retains good bone. Well-balanced with correct tailset and good fore chest. Amber eyes with correct shape, giving a kind expression. Spotting could be tidier, but she took this class on her driving movement.

2nd â€“ 1st Yearling Bitch - repeat

Postgraduate Bitch (4,0)
1st â€“ Sadiedelâ€™s Arab Girl JW (Miss N Pace)Â Showy black bitch with good body length and excellent width of thigh. Balanced angulation in front with good width. Strong rear angulation enabled her to show powerful movement with reach and drive from all directions. Lovely pigmentation, tight muzzle, well-carried ears, and a soft, feminine expression. Coat of good texture and condition, showing well for her handler. Pushed hard in the challenge.

2nd â€“ Hafwenna Honey Pie (Miss A Pattington & Mr A Blomfield)Â Liver with rich pigmentation and a heavier spotting pattern than 1st. Longer in body but shows good reach and drive with well let down hocks and strong pasterns. Previously judged early in her show careerâ€”pleased to see how much she has improved.

Limit Bitch (13,2)
1st â€“ Cubalibre Wishing Star JW (Mrs B Quayle)Â Lovely liver of ideal size, proportion, and type. Everything flows harmoniously, giving a balanced, eye-catching outline. Well-muscled all through, with correct pasterns, compact tight feet and a well-carried tail. package. Topped a strong class and also awardedÂ Awarded Best Bitch and Reserve Best in Show.

2nd â€“ Kallierbelle Ceithir JW (Mr, Mrs & Miss Collier)Â Elegant and strong black with lighter spotting. Would prefer more decoration overall but she presents a lovely outline, tight coat and in fabulous muscle tone.
