Judges Critique

Thank you to the Boston Society for asking me to Dalmatians a year early due to the illness of Irene Haywood. Also thanks go to Bruce Jackson for his efficient handling of the ring. Many of the dogs were new to me not having judged for 3 years. All dogs were shown in sparkling condition. Teeth were difficult to examine due to food being held in the handler's hand. A good percentage of the entry were not in hard muscular condition. I was aware at this judging appointment of the requirement in the Breed Standard for a "Carriage Dog" and did you know that the distance test in the Gold Carriage Dog or Gold Road Dog competition is 40 kms or 25 miles? What is your Carriage Dog capable of??

1. Haywood and Ridgwayâ€™s Luccombe Hazel Nut Cluster
23 month old liver/ white my find of the day â€œ a delightful very well constructed bitch â€œ kind intelligent expression elegant neck leading to good shoulders, deep brisket, tucked under elbows, level topline, well tuned stifles, just right for size and freedom of movement giving economy but carrying top weight for her. CC
2. Pickupâ€™s Roadcoach Ribbons and Roses JW
23 months old black/ white very stylish but has â€œattitudeâ€• that does not help her in the ring â€œ if she can stand awkwardly she does!! a really quality bitch well boned but not too big good feet very sound mover.
