# Judges Critique

I would like to thank Garry and Malcolm my two quietly efficient stewards which enabled me to concentrate on my judging.

Today I found quite a few exhibits suffering from the dreaded "Dally-rash". Also, some were coating and these conditions, although both temporary, had to be taken into account when deciding places. It is, after all, a beauty show. On the plus side, temperaments were impeccable with no signs of nervousness.

## Veteran dog (0)

### Minor Puppy Dog (4,1)

1. Wrights Millbelle Lithium. Happy b/w puppy of 6 months. Developing nicely and moved with confidence. Dark eyes, appealing head and expression. Good shoulder placement and hind quarters with well let down hocks which he is learning to use to drive around the ring
2. Snowsills Chione Liver Lad . LW 8 month puppy. Just the right size for his age Nice bone, lay of shoulder and good hindquarters . Still a little loose on the move but this can be forgiven at this age.
3. Dodds & Pearsons Kelevra What the Dickens

### Puppy Dog (3.1)

1. Cuthbertsons Kalsidoni Cameo  
Almost 12 months of age. Very well grown mature b/w puppy. I hope he has finished growing. I liked his dark eyes and kind expression. Strong round bone with deep brisket allowing plenty of heart and lung room. Correct tail set and well let down hocks. Nicely muscled quarters allowing him to drive around the ring.

### 2. Gees Manoroy Magnetic Charm

11 months old of different type to 1. Quite immature puppy who needs to collect himself together when moving. Dark eyes, level topline and good hindquarters

### Junior Dog (4)

#### 1. Sibsons Tamilanda Vintage Pink

L/W Clean lines with good round bone, nicely developed straight front, Lovely classic head with pleasing expression. Good length of neck leading into well laid shoulders. Well muscled 2nd thigh allowing steady true movement. He didn't put a foot wrong so I was pleased to award him the dog res.cc amongst strong competition.

#### 2. Lambs Dalpetro Decaprio

Similar type to 1 . Again, a young dog with lovely head, deep brisket, strong hindquarters and good tailset. Unfortunately was rather erratic on the move.

#### 3. Cousins Kalokairie Lord Ladies Man

### Graduate Dog (4.2)

#### 1. Clelands King of the World by Deovolante

Eye catching B/W shown in tip-top condition. Well boned. Masculine head. Well muscled 2nd thigh allowing him to move with drive which was apparent in profile.

#### 2. Rose & Cattermole Cader Idris Celt at Kalvadene

4th in previous class. Lovely dark eyes and striking pigment. Pity about the dally-rash. He moved quite close behind

### Post Graduate Dog (6,1)

1. Harrison-Stratfords Dalkereve Dark Dragon JW. Beautifully balanced dog of rich liver colour .Classic head with kind expression. Good neck leading into well laid shoulders. Correct tail set and nicely muscled hindquarters enabling true movement

2. Bakers Dalleaf Devils Disciple. Close up liver male of similar type. True mover using his hocks to advantage. He was slightly unsettled and tended to fly his ears today.

#### 3. Bolts Fakenham Ferrera Rocher

### Limit Dog (4,1)

1. Webb & Chrystals Dalleaf Devil in Disguise at Jemblewood. Striking b/w dog with clean lines. Developing nicely and should trouble the best when mature .Correct laid back shoulders and excellent hindquarters with correct tailset, well let down hocks and width of thigh. Handled at steady speed to show true movement and drive

2. Dodds & Pearsons Kelevra Hudson Hawk. Striking pigment. Lovely head with dark eyes and a pleasing expression. Good bone with well let down hocks. He was unlucky to meet 1 who just had the edge on the move.

#### 3. Barnsleys Tanstar Jet Black

### Open Dog (11,2)

A really good class full of quality Dalmatians. I would have liked at least 5 red cards

1. Alexanders Ch Offordale Chevalier. A stallion dog with loads of ring presence. Strong bone and the best cat feet here today. Beautiful head with dark eyes and appealing expression. Good length of neck leading into well laid shoulders. Strong hind quarters allowing him to stride out in profile. Couldn't be denied the dog CC which I was happy to award.

2. Hartley & Griffiths Ch Creaganbec The Favourite at Miragua JW. Different type to 1. and a tough decision. This dog fits the standard in profile. He has dark pigment, classic head, dark eyes and a lovely expression. Totally at one with his handler. Well laid back shoulders, plenty of heart and lung room, nicely ribbed back, strong loin and developed hindquarters which he used to power around the ring. Unfortunately he had the dallyrash which affected my placing today.

3. Goff-Leggett Ch Washakie Nutcracker Prince JW

Good Citizens Dog (2,1)

1. Barnsleys Tanstar Jet Black3rd in limit dog. Good happy temperament Standard size b/w who was rather unsettled on the move.

Veteran Bitch (4,2)

1. Dodds & Pearsons Pollpeck Premier Passion at Daffydal. 8 and a half feminine lady. Lightly spotted with appealing dark eyes, head and expression. Very good hindquarters and tailset. Moved with drive and purpose.

2. Addys Creaganbec Rosie Cotton JW Sh CM. An old favourite of mine. Striking standard size lady with deep pigment, dark eyes and feminine head. Good shoulders, well let down hocks. Good movement in profile but just appeared to a little when coming towards me
